Versus

Prakash Vir Shastri and Ors.

Respondents.

## JUDGMENT

RAY J:—This is an appeal against the judgment and order of the High Court at Allahabad dated 12th April, 1968, dismissing the election petition filed by the appellant.

The appellant contested the General Election to the Lok Sabha from Hapur Parliamentary Constituency in the year 1967. There were seven rival candidates numbered respondents 1 to 7. The appellant contested the election on the ticket of the Republican Party. He was then a sitting member of Parliament. Among the rival candidates, Prakash Vir Shastri was an independent candidate. The election symbol of the appellant was elephant and the election symbol of Prakash Vir Shastri was lion. Prakash Vir Shastri secured 1,49,943 votes while the appellant secured 1,01,875 votes. The Swatantra candidate Sri Naseem secured 34,274 votes. The Congress candidate respondent Smt. Kamla Chaudhury secured 33,988 votes. The appellant challenged the election on grounds of corrupt practices as mentioned in sub-sections (2), (3) and (4) of the Representation of the People Act, 1951 (hereinafter referred to as the Act).

At the hearing of the appeal the appellant appeared in person after counsel on his behalf and obtained leave of this Court to withdraw and to allow the appellant to appear in person.

The various corrupt practices on which the appellant relied relate to occurrences at six places. The appellant did not press the other occurrences. The first occurrence relates to a meeting held at the Town Hall Maidan at Hapur on 7th February, 1967. The appellant alleged that at the Hapur meeting respondent Prakash Vir Shastri and his supporters delivered inflammatory speeches against the appellant and thereafter the said respondent Shastri's supporters entered the office of the Republican Party, to which the appellant belonged, assaulted the workers of the appellant, tore posters, abused the appellant and threatened his workers. In support of the allegations the appellant relied on Exhibit 28 the news report in the 'Hindustan' published on 8th February, 1967, and also on Exhibit 23 the news report in the newspaper named 'Vir Arjun' published on 8th February, 1967, and exhibit 22 being the editorial in the Vir Arjun published on 7th February, 1967. The newspaper report in the 'Hindustan' Exhibit 28 published on 8th February, 1967, contains the note of the correspondent from Hapur bearing the date 7th February, 1967, stating that a big meeting was held in support of respondent Shastri Lok Sabha candidate from Hapur-Ghaziabad Constituency. In the 'Vir Arjun' dated 8th February, 1967, Exhibit 23 it is stated that the supporters of the Republican Party were raising slogans that they were championing the cause of Harijans and Muslim youths from Aligarh University were brought for that purpose. It was also stated in the said newspaper that Muslim students of Aligarh were raising the slogans 'Harijan Muslim are brothers and where from Hindu community has come.' Black face be of Brahmin, barber and lala. Throw shoes on Bhat, Gujar and Rajput'. The appellant in paragraph 11 of the petition further alleged that respondent Shastri was associated with the Vir Arjun, and K. Narendra Editor of Vir Arjun who was a colleague of respondent Shastri wrote an editorial by way of an appeal to support the candidature of respondent Shastri in that newspaper on 7th February, 1967, Exhibit 22 and the said appeal was also an instance of corrupt practice. The further allegations in the petition were that at the meeting which was held at the Town Hall Maidan at Hapur on 7th February, 1967, respondent Shastri and the said K. Narendra, Editor of Vir Arjun delivered inflammatory speeches.

The appellant generally impeached the judgment of the High Court on two grounds. First, that there was no discussion of the entire evidence and, secondly, that there was rejection of the evidence on behalf of the appellant on consideration that the appellant's witnesses belonged to particular castes and sects.

The criticism on behalf of the appellant with regard to Hapur meeting was that respondent Shastri in answer to the petition did not state that there was a meeting on 6th February, 1967, and thereby the appellant was denied the opportunity of meeting that case. The appellant relied on the decision of this Court in *Badat and Company v. E. I. Trading* (1) and the observations appearing at page 547 of the report in support of the contention that under the provisions of the Code of Civil Procedure and, in particular, the provisions contained in Order VIII of the Code, respondent Shastri should have alleged in the pleadings that the meeting was held on 6th February, 1967, and in the absence of such allega-

tions respondent Shastri should not have been allowed to make that case. The decision of this Court is of no aid to the appellant. In the case of Badat and Company<sup>1</sup> (Supra) the question was whether there was a contract between the parties and it was alleged by the plaintiff with reference to two letters that the letters would indicate some of the terms of the transaction. The defendant in the written statement did not specifically deny the said two letters. This Court observed that a mere denial of the contract was not sufficient and the rules of the Code enjoined denial of the existence of the letters. In the present case, the question was whether a meeting was held at Hapur Town Hall Maidan on 7th February, 1967. The respondent denied such a meeting. The respondent was not called upon to state as to whether there was a meeting on 6th February, 1967.

The news item in the newspaper 'Hindustan' Exhibit 28 gave news from Hapur under the date 7th February, 1967, that a meeting was held at Hapur. Exhibit 23 was a news item in the newspaper 'Vir Arjun' under the date 7th February, 1967, that Shri Narendra, Editor of Vir Arjun spoke at an election meeting at Hapur. Neither the Vir Arjun news item dated 7th February, 1967 nor the news item appearing under the date of 7th February, 1967 Hapur published in the Hindustan on 8th February, 1967, contains any intrinsic evidence that a meeting was held at Hapur on 7th February, 1967.

Further, of the witnesses on behalf of the appellant P.W. 25 Bal Kishan spoke of the meeting at the Hapur Town Hall Maidan on 7th February, 1967, and he also stated that three pamphlets were distributed and two issues of newspapers were also distributed, namely, the Vir Arjun, and Pratap. No such pamphlet was produced. The two witnesses on behalf of respondent Shastri, Bhagwati Prasad Jain D.W. 16 and Rameshwar Prasad Goel D.W. 18 said that a Congress election meeting was held at the Town Hall Maidan, Hapur and no election meeting was held in support of respondent Shastri at the Town Hall Maidan, Hapur on 7th February, 1967.

With regard to the meeting at the Town Hall Maidan at Hapur alleged by the appellant to have been held on 7th February, 1967, the oral evidence on behalf of the appellant is that the meeting was held and the oral evidence on behalf of the respondent is that the meeting was not held. In the case of conflicting oral testimony it is safer to place reliance on documentary evidence. First, the newspaper report on which the appellant relies contained intrinsic evidence which totally nullifies the appellant's case. Exhibit 28 being the 'Hindustan' dated 8th February, 1967, indicates the news about Hapur under the date 7th February, 1967, that a meeting was held "yesterday night" meaning thereby 6th February, 1967, in support of respondent Prakash Vir Shastri. Secondly, the newspaper 'Vir Arjun' published on 8th February, 1967, gave the news at Hapur under the date 7th February, 1967. The news referred to an election meeting at Hapur but did not mention that the meeting was held on 7th February, or on 6th February, 1967. Thirdly, Exhibit A-12 which is an application by one Lakhi Ram seeking permission from the Municipal Board for holding a meeting on 7th February, 1967, in the Town Hall Maidan, Hapur throws light on this aspect. The permission given by the authorities which is marked Exhibit A-13 required the persons holding the meeting to pay certain charges towards the use of the electricity. Exhibit A-14 is a receipt for payment of Rs. 5. These three documents indicate that the meeting which was held on 7th February, 1967, was a meeting organised by the supporters of the Congress Party. Fourthly, Exhibit A-2 which is a General Diary of Thana Hapur bearing the date 7th February, 1967, shows that a constable was sent to the Town Hall Maidan to make arrangements in connection with the meeting which was to be addressed by one Kailash Prakash. The witnesses on behalf of the respondent Shastri mentioned the name of Kailash Prakash and Smt. Kamla Chaudhury as speakers on behalf of the Congress candidate. It is highly improbable that two meetings of the two rival candidates, namely of the Congress and of the respondent Prakash Vir Shastri would both be held on the same date and at the same place. Fifthly, the reports which were lodged by the supporters of the appellant with regard to the attack on the office of the Republican Party on 7th February, 1967, do not mention or refer at all to any meeting on behalf of respondent Prakash Vir Shastri on 7th February, 1967, at the Town Hall Maidan, Hapur. It would be natural if a meeting had been held on 7th February, 1967, that there would have been reference to the same.

The other allegations of the appellant were that respondent Shastri's supporters on 7th February, 1967, attacked the office of the Republican Party, to which the appellant belonged. There was the First Information Report dated 7th February, 1967, about the attack on the office of the Republican Party. This

report is significantly silent about any meeting having been held on 7th February, 1967, at Hapur Town Hall Maidan. Though there was the alleged complaint about the attack on the office of the Republican Party, it appears that there was no investigation. The attack on the party office was not proved by the appellant to have been made by respondent Shastri's workers and supporters. The High Court correctly came to the conclusion that no meeting was held at Hapur on 7th February, 1967, and there was no attack on the office of the Republican Party.

With regard to the attack on the office of the Republican Party to which the appellant belonged though the first information report gave the news about the attack it is strange that there was no investigation. The report of the Joint Secretary of the Republican Party to the President of the Republican Party bearing the date 8th February, 1967, alleged that the supporters of Prakash Vir Shastri attacked the office of the Republican Party on 7th February, 1967, forcibly took necessary papers and a flag of the Party. Dal Chand Nimesh, Joint Secretary of the Republican Party, P.W. 71 in his evidence state that none of the processionists went to his office and further he hid himself in an adjoining room. He did not prove the truth of the statements contained in his report which was marked as Exhibit 11. The attack on the office of the Republican Party was not mentioned at all either in the Vir Arjun of 8th February, 1967, or in the Hindustan dated 8th February, 1967. It is obvious that if in fact any attack had been made on the office of the Republican Party, the supporters of the appellant would have taken steps for investigation and publication.

The second occurrence on which the appellant relied is alleged to have happened at a place called Nagola. The appellant's case was that on 18th February, 1967, Prakash Vir Shastri and his supporters who were mostly Tyagi by caste asked the Tyagis to stop the Jatav voters from going to the polling station to cast their votes. It was alleged that Thawariya made the announcement by beat of drums that the Muslim, Chamar, Bhangl and Jatav voters would not be allowed to go to the polling station to cast their votes. The other part of the appellant's case about the Nagola incident was that there was an assault on Shamshad Elahi, a worker of the appellant. The appellant relied on the oral testimony of P.W. 11, P.W. 12, P.W. 15, P.W. 16, P.W. 17, P.W. 19, P.W. 23, P.W. 65 and P.W. 80. The witnesses on behalf of the respondent were D.W. 4, D.W. 12, D.W. 13, D.W. 30 and D.W. 33. The oral evidence is in support of the rival contentions, namely, that the Jatav voters would not be allowed to vote and the denial of the same by the respondent. The appellant also relied on Exhibit N. that the Jatav voters would not be allowed to cast their votes by the Tyagis.

In support of the case with regard to assault on Shamshad Elahi the appellant relied on the oral evidence of Shamshad Elahi, P.W. 11 and the injury report Exhibit 30 and other documents, namely, Exhibits 31, 32 and 35. The appellant criticised the judgment by contending that there was no discussion of the oral evidence of P.W. 17, Satya Pal Malik. P.W. 11, Shamshad Elahi said that he went to Nagola at about 3-30 p.m. on 19th February, 1967, the date of the election and the voters told him about the proclamation by beat of drums on the previous night and the voters further said that they would be insulted and they should remain there. Shamshad Elahi further said that he met Sevak Ram and Surajbhan Tyagi and 10 or 12 other persons were with them and they beat the witness with Lathis and he received a number of injuries.

The other witnesses on whose testimony the appellant relied said that people wearing lion badges which was the election symbol of Prakash Vir Shastri asked the witness not to cast their votes and they also said that it was announced by beat of drums that no Chamar or Bhangl should cast a vote.

Nagola is a village within the circles of Badhnauli. R. K. Aggarwal, D.W. 33 who was the Presiding Officer at Badhnauli polling station gave evidence. He said that the votes of village Nagola were polled and no Harijan or Mohammedan voter was stopped from casting votes and that there was no complaint that Harijan and Mohammedan voters were being stopped from casting their votes. In cross-examination the witness said that no voters from Haidernagar or Nagola were brought to the polling station under police protection.

P.W. 80, Sukhbir Singh who was posted as Station Officer Thana Kharkoda said that he received information from Shamshad Elahi that voters at Badhnauli were being stopped from casting their votes. Sukhbir Singh went to Badhnauli.

He also went to Nagola. He said that 30 or 40 Harijan voters went to Badhnauli to cast their votes. He said that there was no voter who was taken by him to a polling station in a truck. Sukhbir Singh proved Exhibit 35 which was a contemporaneous report to the effect that no one was stopped from voting at Nagola.

Satya Pal Milk on whose testimony the appellant relied said that Prakash Vir Shastri came to Badhnauli polling station on 19th February, 1967, and there were 40 to 50 persons around him with lion badges on. His further evidence was that Prakash Vir Shastri asked the Pradhan to beat the voters to make them run away. Prakash Vir Shastri, however, denied having asked Sheoraj Pradhan to drive away the voters.

Thanwaria, P.W. 23 on whose evidence the appellant relied said that he beat the drum in Nagola village on a day before the polling. He said that there were two parties of the Tyagis. One was of Sheoraj Singh and the other was of Pyare Lal. The Jatavs, according to his testimony, were in Pyare Lal's party and the Bhangls were in Sheoraj's party. The appellant said that Thanwaria was disbelieved only because he belonged to the Chamar caste. That is misreading the judgment. The High Court said that the evidence of Thanwaria did not inspire confidence. That criticism of the evidence of Thanwaria is justified because he came to support the case of the appellant and he belonged to the appellant's camp.

Pyare Lal, D.W. 12 said that no Harijan was stopped from casting his vote at Badhnauli polling station and no worker of Prakash Vir Shastri threatened any Harijan voter at the polling station. The appellant criticised the evidence of Pyare Lal that he did not know as to what was happening in the village. Satyal Pal Malik, P.W. 17 mentioned the name of Pyare Lal as the leader of one of the parties and Sheoraj Singh as Pradhan of the village Nagola.

The oral evidence on behalf of the appellant is not acceptable for two reasons. First, if there had been any incident of a voter being prevented from voting a complaint would have been made to the polling officer of the polling station. Secondly, Vireshwar Tyagi and Mahendra Singh Verma who were the supporters of the appellant and who are alleged to have said that voters at Nagola were prevented from voting did not lodge any report about the alleged corrupt practice particularly when it was said to be committed by Prakash Vir Shastri himself.

The assault on Shamshad Elahi which was also said to be an incident of corrupt practice is unacceptable for these reasons. First, the injury report Exhibit 30 has to be considered along with the statement of Shamshad Elahi being Annexure M. and the report of the appellant being Exhibit 32 and the complaint of Shamshad Elahi being Annexure N being Exhibit 30. The appellant in the report dated 17th February, 1967 Exhibit 32 spoke of voters not being allowed to exercise their votes. Shamshad Elahi in his complaint said that 10 or 12 persons beat him with lathis. All this happened on 19th February, 1967. The doctor's report was about the injuries. First, it is peculiar that there was no complaint about the injuries after the injury report. Secondly, there is no evidence that the assault was by the workers of Prakash Vir Shastri. Shamshad Elahi in his evidence mentioned the names of Sevak Singh and Surajbhan Tyagi. These names were not mentioned in the complaint being Exhibit 30. In cross-examination Shamshad Elahi was asked as to how he had obtained the names and his answer was that he met the grass cutter who gave the names. It is curious that the grass cutter who gave the names was not examined.

The third incident on which the appellant relied took place at Chhajjupur. The allegations are that on 2nd February, 1967, an election meeting was organised in support of the candidature of the appellant and the supporters of respondent Prakash Vir Shastri created disturbance with the result that the meeting could not be continued and the supporters of respondent Prakash Vir Shastri are alleged to have chased the appellant. The High Court rightly commented on the absence of any report having been made by the appellant to the Election Commissioner or the police about the alleged occurrence. It is obvious that if the appellant had been chased he would have made report to the Election Commission or to the police. The appellant relied on the news item in the Patriot dated 5th February, 1967. The news item was referred to by Mahesh Chandra Agarwal, P.W. 14 who, however, was not present at the meeting at Chhajjupur. He referred to a conversation with the Superintendent of Police. The Senior

Superintendent of Police was not examined. No police report was produced. The truth of the newspaper report was not corroborated nor was the statement in the news item proved. On the contrary, Mahesh Chandra Agarwal nullified the news item by admitting that he was not present at the meeting.

P.W. 18 Tejpal Singh spoke of the incident of 2nd February, 1967, and mentioned about the shouting of slogans and throwing of brick-bats. P.W. 10, Som Prakash spoke of charge-sheet under sections 147, and 342 of the Indian Penal Code against certain persons. He spoke of the report of 3rd February, 1967, and a report of 9th February, 1967. The report dated 3rd February, 1967, relates to the occurrence on 2nd February, 1967, at Chhajjupur. The report of 9th February, 1967 also relates to the alleged incident of 2nd February, 1967, at Chhajjupur. The witness Som Prakash P.W. 10 admitted that no investigation was made. It is significant that the name of the appellant is not mentioned in either of complaints or reports. The allegations in the report are that some disturbance was created and names of various persons are mentioned as having tried to run towards the jeep which carried the leaders of the Republican Party. One of the witnesses Sevi Dayal Sen, P.W. 63 said that when the appellant rose to speak some people pelted stones at him.

The alleged incident at Chhajjupur is unacceptable because, first, there was no complaint by the appellant to the Election Commissioner and secondly, there was no police case and no investigation, thirdly, the reports did not mention the name of the appellant as having been assaulted or chased and fourthly, the news item in the Patriot was not proved as to the truth of the contents, therein.

The fourth occurrence on which the appellant relied was at a place called Opehra. The appellant alleged that some persons were stopped from casting their votes. The appellant relied on the oral evidence of P.Ws. 58, 59 and 60. P.W. 60 is Manzoor Ahmad, M.L.A. The other two witnesses were Durga Das and Ram Prasad. The appellant criticised the judgment that there was no mention of the name of Manzoor Ahmad. The diaries being Exhibits A-23, A-32 and A-29 were produced to show that the election at Opehra polling station passed off peacefully and therefore no one stopped any voter from casting vote. Manzoor Ahmad in his oral evidence said that he saw people armed with lathis and ballams. He said that he made a complaint to the Presiding Officer and admitted in cross-examination that there was no written complaint. Manzoor Ahmad did not prove that any person was stopped from voting.

The fifth and the sixth occurrences on which the appellant relied took place at Dattiyana and Bankhanda. It is alleged by the appellant that at Dattiyana the agents and the supporters of respondent Prakash Vir Shastri threatened the Scheduled Caste and Harijan voters and prevented them from going to the polling station. The allegations about the occurrence at Bankhanda are to similar effect. The appellant relied on Exhibit 18 which was a memorandum addressed by several voters who stated that they remained within the house and could not vote because the village Tyagi Kallash Chand threatened to kill them if they would vote. P.W. 65, Vireshwar Tyagi spoke of the incidents at Nagola, Bankhanda and Hapur, and his wife Smt. Prakash Vireshwar Tyagi spoke of the alleged incident at Dattiyana. The respondent's witnesses denied that any person was prevented from casting vote at Dattiyana.

The allegations with regard to the Bankhanda were referred to by Vireshwar Tyagi and other witnesses. The diary which was produced with regard to the polling station disproved any such incident. The diaries are Exhibits A-19 and A-21. D.W. 20, Chandoo Singh stated that he was at the polling station at Bankhanda and no one was stopped from exercising the right of franchise. D.Ws. 21 and 22 also spoke of polling at Bankhanda having been peaceful. The appellant referred to religious songs which were said to be in praise of respondent Prakash Vir Shastri. Mere praise worthy songs will not be an instance, of corrupt practice.

All the allegations should the voters having been stopped from casting their franchise followed the same pattern of oral evidence. The absence of any report either to the Election Commission or to the Police authorities is an important and noticeable feature and therefore the oral evidence is not acceptable.

The other allegations relied on by the appellant are that respondent Prakash Vir Shastri is guilty of corrupt practice under sub-sections (3) 3A and (4) of section 123 of the said Act. The appellant contended that respondent Prakash

Vir Shastri made communal propaganda against the appellant and also published false statements in relation to the personal character of the appellant. In aid of the contentions the appellant relied on annexures KK and MM. The appellant relied on the upper portion of annexure KK in support of the contention that the slogans amounted to communal propaganda. The lower portion of annexure KK was contended by the appellant to be allegations against the personal character of the appellant. Annexure MM was said by the appellant to contain slogans amounting to communal propaganda against the appellant. It was said by the appellant that respondent Prakash Vir Shastri promoted feelings of enmity or hatred against the appellant and further raised communal propaganda. The appellant also relied on Exhibit 22 being the editorial in Vir Arjun dated 7th February, 1967, in support of the contention that the editorial constituted communal propaganda against the appellant.

In *Guruji Shrihari Baliram Jovatove v. Vithalrao and others*. This Court dealt with the scope and content of sub-section (4) of section 123 of the Act. The Act is intended to protect freedom of speech on the one hand and to restrain malicious propaganda on the other. The provisions contained in sub-section (4) of section 123 were said by this Court to be contravened when "any false allegation of fact pierces the politician and touches the person of the candidate". It is the personal character and conduct of the candidate which is to be protected from malicious or false attacks. The statement in question has to be first a false statement bearing on the personal character and conduct of the candidate and secondly, the statement complained of must be one which is reasonably calculated to prejudice the prospects of the election of the person.

Under the provisions contained in sub-section (3A) of the said Act the promotion of, or attempt to promote, feelings of enmity or hatred between different classes of citizens of India on grounds of religion, race, caste, community, or language, is the mischief which is sought to be avoided by making the same a corrupt practice. The sub-section further says that such promotion or attempt to promote enmity or hatred is for the furtherance of the election of the candidate or for prejudicially affecting the election of any candidate.

The words "personal character or conduct" were explained by this Court in *T. K. Gangi Reddy v. M. C. Anjaneya Reddy* (3) and others "to be equated with his mental or moral nature. Conduct connotes a person's actions or behaviour". Annexure KK was not proved and therefore it cannot be said to constitute any communal propaganda. Assuming it were proved there is no appeal to vote for a person on the ground of religion nor is there any appeal not to vote for a person on the ground of his religion. Further, the provisions contained in sub-section (4) of section 123 required the publication with the consent of the candidate or his election agent. In the present case, annexure KK has not been established to be published with the consent of the respondent Prakash Vir Shastri or his election agent. It, therefore, follows that annexure KK offends neither the provisions contained in sub-section (3A) nor in sub-section (4) of section 123 of the Act.

Annexure MM was said by the appellant to be a communal propaganda. Annexure MM was not proved. Even if it were proved the slogans do not offend the provisions of either sub-section (3A) or sub-section (4) of section 123 of the Act.

The publication in the newspaper 'Vir Arjun' Exhibit 22 is to the effect that differences between Hindus and Harijans were being spread by the supporters of the Republication candidate meaning thereby the appellant and if students from Muslim University were brought in by them then students from Ghaziabad would be brought into the field. The newspaper certainly was inclined in favour of respondent Prakash Vir Shastri but the newspaper publication said that Prakash Vir Shastri would not unlike the Congress candidate preach communal hatred. The statements in Exhibit 22 do not make any reflection on the moral or mental nature of the appellant and they do not touch the personal character of the appellant, nor do they promote enmity or hatred on grounds of religion.

The appellant failed to prove that respondent Prakash Vir Shastri committed any corrupt practice in relation to the personal character and conduct of the appellant. The newspaper publication Exhibit 22 was an appeal on behalf of

(\*) Civil Appeal No. 1778 of 1967 decided on 19-11-1968.

(\*) (1965) 1 S.C.R. 175.

respondent Prakash Vir Shastri. As long as the publication is not tainted by corrupt practice, such an appeal will not be an infraction of the provisions as to corrupt practices as contemplated in the Representation of the People Act. Suggestions that attempts are made to accentuate the differences between the Hindus and Harijans in the article cannot be extracted in isolation from the entire context. The electorate at the time of the election has to be kept in the forefront in judging whether the article can be said to offend the provisions relating to corrupt practices. The Court is to ascertain whether the statement is reasonably calculated to prejudice the prospects of the candidate's election. This Court observed in *Kultar Singh v. Mukhtiar Singh* that in reading the documents it would be unrealistic to ignore that when appeals are made by candidate there is an element of 'partisan feeling' and there is 'extravagance of expression in attacking one another' and 'it would be unreasonable to ignore the question as to what the effect of the pamphlet would be on the mind of the ordinary voter who reads the pamphlet'. In the light of these principles, we are of opinion that there is no infraction of the provisions contained in sub-sections (3A) and (4) of section 123 of the Act.

For the reasons mentioned above, this appeal fails and is dismissed with costs.

का० प्रा० 4451.—कृषि उत्पाद (श्रेणीकरण और चिह्नन) अधिनियम, 1937 (1937 का 1) की धारा 3 द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, और कड़े बालों का श्रेणीकरण और चिह्नन नियम, 1950 को अतिरिक्त करते हुए, केन्द्रीय सरकार एतद्वारा निम्नलिखित नियम बनाती है, जो उक्त धारा की अपेक्षाानुसार पहले ही प्रकाशित किए जा चुके हैं, अर्थात्—

कड़े बालों का श्रेणीकरण और चिह्नन नियम, 1967

1. संक्षिप्त नाम और लागू होना :—(1) ये नियम कड़े बालों का श्रेणीकरण और चिह्नन नियम, 1969 कहे जा सकेंगे।

(2) ये शूकर रावकों, बघिया शूकरों और नर शूकरों से अभिप्राय और भारत में उत्पादित में कड़े बालों के संबंध में लागू होंगे।

2. श्रेणी अभिधान :—(1) कड़े बालों की क्वालिटी उपदर्शित करने वाले श्रेणी अभिधान जो अनुसूची एक से लेकर अनुसूची 9 तक के स्तम्भ 1 में उपवर्णित है साधारण श्रेणी के नाम से जाने जाएंगे।

(2) उपनियम (1) में निर्दिष्ट श्रेणी अभिधानों के अतिरिक्त “विशेष श्रेणियों” और “प्रथम श्रेणियाँ” भी होंगी जो क्रमशः से अनुसूची 10 और अनुसूची 11 में निर्दिष्ट शर्तों को पूरा करेगी।

3. क्वालिटी की परिभाषा :— विभिन्न श्रेणी अभिधानों द्वारा उपदर्शित क्वालिटी वह होगी जो अनुसूची 1 से लेकर अनुसूची 9 तक के स्तम्भों 2, 3, और 4 में हर एक अभिधान के मामले तथा अनुसूची 10 और अनुसूची 11 में उपवर्णित है।

4. श्रेणी अभिधान चिह्नन :— श्रेणी अभिधान चिह्नन श्रेणी अभिधान निर्दिष्ट करने वाली अनुसूची 12 में उपवर्णित डिजाइन का एक लेबल होगा और लेबल का रंग कड़े बालों के रंग का होगा।

5. चिह्नन पद्धति :—(1) श्रेणी अभिधान चिह्नन लेबल भारत सरकार के कृषि विपणन सलाहकार द्वारा अनुमोदित रीति से हर एक डिब्बे पर सुरक्षित रूप से लगाया जाएगा।

(2) श्रेणी अभिधान के अतिरिक्त लेबल पर निम्नलिखित विशिष्टता स्पष्ट चिह्नित की जाएगी :—

(i) क्रम संख्या,

( ) कड़े बालों का प्रकार, उदाहरणार्थ मुलायम, कड़ा/आधा कड़ा या अधिक कड़ा,

(iii) जिस केन्द्र पर पैकिंग की गई उसका नाम,

(iv) चिह्नित किए जाने की तारीख,

(v) शब्द भार,

(vi) साधारण, विशेष या प्रवर

6. पैकिंग की पद्धति :— (1) (क) एक ही श्रेणी अभिधान के कड़े बाल बंडलों में बांधे जाएंगे।

(ख) (टुकड़ों और धारियों से भिन्न) बण्डल जिनका व्यास 51 मि० मी० (2 इंच) से अधिक और 38 मि० मी० (1½ इंच) से कम, नहीं होगा।

(2) सभी श्रेणी अभिधानों के कड़े बालों के हर एक डिब्बे की शुद्ध अर्न्तवस्तुएं 2 कि० ग्राम के गुणकों में 10 कि० ग्राम या उससे अधिक होंगी किन्तु अधिक से अधिक 46 कि० ग्राम होंगी।

(3) विभिन्न श्रेणी अभिधानों के 121 मि० मी० (4¾ इंच) या उससे कम के कड़े बाल अलग अलग डिब्बों में पैक किये जायेंगे।

(4) विभिन्न श्रेणी अभिधानों के 121 मि० मी० (4¾ इंच) से बड़े कड़े बाल एक ही डिब्बे में पैक किये जा सकते हैं :—

परन्तु यह तब जब कि —

(क) किसी विशिष्ट श्रेणी अभिधान के कड़े बालों की मात्रा 2 कि० ग्राम के गुणकों में हों, और

(ख) हर एक श्रेणी अभिधान के कड़े बाल अलग तहों में पैक किये जायेंगे।

(5) यदि काले और भूरे कड़े बाल एक ही डिब्बे में पैक किये जाते हैं तो इन दोनों रंगों में से हर एक रंग के कड़े बालों की मात्रा 2 कि० ग्राम के गुणकों में होगी और इन अलग तहों में पैक किया जायेगा

(6) (क) पैकिंग का आधान लकड़ी का डिब्बा होगा जो स्वच्छ एवं शुष्क होगा।

(ख) वायुमन दुलाई द्वारा अभिवहन के लिये कड़े बालों को पैक करने के लिये डीन या एलुमिनियम के डिब्बे भी प्रयोग में लाए जा सकते हैं।

7. लकड़ी के डिब्बे और अन्य आधानों में जरासह कागज का अस्तर होगा और उनमें डी० डी० या नैपथलीन गोलियों जैसे कीटनाशी पदार्थ पर्याप्त मात्रा में होंगे।

8. हर एक डिब्बा सुरक्षित रूप से फीते से बंधा होगा और मुद्रांकित होगा।

स्पष्टीकरण: इस नियम में पद “शुद्ध अर्न्तवस्तुएं” से कड़े बालों का, किसी सपेटन के या सूत, सूत या अन्य सामग्री के बंधानों से भिन्न परिवर्धना के बिना, कड़े बालों का भार अभिप्रेत होगा।

Employers in relation to the Salgi Boda Bauxite Mine of Messrs K. L. Agarwalla,

AND

Their workmen.

**APPEARANCES:**

For employers—Shri S. Roy, Advocate.

For workmen—Shri P. S. Dayal, Advocate.

INDUSTRY: Bauxite Mine.

STATE: Bihar.

*Dhanbad, dated the 22nd September, 1969*

**AWARD**

1. The Central Government, being of opinion that an industrial dispute exists between the employers in relation to the Salgi Boda Bauxite Mine of Messrs K. L. Agarwalla, Post Office Chandwa, District Palamau, and their workmen, by its order No. 24/23/69-LRI, dated the 28th of May, 1969 referred to this Tribunal under section 10(1)(d) of the Industrial Disputes Act, 1947 for adjudication the dispute in respect of the matters specified in the Schedule annexed thereto. The Schedule is extracted below:—

**SCHEDULE.**

“Whether the action of the management of Messrs K. L. Agarwalla, Post Office Chandwa, District Palamau, in stopping work at Salgi Boda Bauxite Mine, Post Office Chandwa with effect from the 11th April, 1969 was justified? If not, to what relief are the workmen of the mine entitled?”

2. Shri Mahabir Ram Verma, General Secretary, Ranchi District Bauxite & Chana Clay Mine Employees Union—Lohardaga, Ranchi filed the written statement on 16th June, 1969 and their rejoinder on 28th of July, 1969. Their case is that the management had not been paying the just and legal dues due to the wages of the workmen and had not been fairly dealing with them in various manners and therefore, the workmen through their union submitted a charter of demands on 24th October, 1968 requesting the management for removal of the said grievances. The Management did not respond to the said demands and the matter was referred to the Labour Enforcement Officer (C), Ranchi. The Labour Enforcement Officer (C) requested the Management by his letter dated 28th October, 1968 to take part in the discussion to be held on 8th November, 1968 regarding the demands. But on that day no one appeared before the Labour Enforcement Officer (C) and accordingly the matter was postponed to 15th November, 1968. But on that day also none appeared on behalf of the management and the matter was again postponed to 10th January, 1969 for holding the discussion. But on that date also nobody appeared on behalf of the management.

3. Finding that the management is not at all willing to settle the matter amicably the Union gave a strike notice dated 25th March, 1969, intimating the Management and the Labour Department that the workers would go on strike from 9th April, 1969. The strike, however, did not materialise due to the intervention of the

Labour Department. Therefore, on the 11th of April, 1969 the mine was suddenly closed, without any notice and without any information to the workers. When the workers went to join their duties, they suddenly found the office closed. The management also did not pay the arrears of wages of the workmen.

4. According to the Union similar demand as in the present case, was made to the neighbouring mine, namely the Salgi Dhowrah Laterite and Bauxite Mine, and on conciliation an agreement was arrived at between the management for the said mine and the workmen. The management of the mine in this case being afraid that it would have to pay wages at the rate agreed to by the management of the neighbouring mine, closed down the mine, to break the Union and to drive out the workers and to start work with newly recruited labourers. As a matter of fact the management re-opened the mine in the month of May, 1969 and carried the work for 7 days, but as the affected workers came to join and began to press for their employment, the management closed down the mine again. The management is in the habit of closing down their mine all of a sudden, whenever the workers place their demands and they did this in respect of Khamar Pat Bauxite Mine in the year 1967, but afterwards, they re-opened the same according to an agreement in the Conciliation Proceeding. According to the Union the action of the management is *mala fide* and unjustified, and therefore, they prayed that the management be directed for reopening the mine and to re-employ the workmen and pay their back wages and on their failure to do so, the management may be ordered to pay retrenchment relief according to section 25F of the Industrial Disputes Act.

5. The management filed the written statement on the 4th of July, 1969. Their case is that the mine in question belong to the National Cement Mines & Industries Ltd. of 82, Stephen House, 4, Dalhousie Square East, Calcutta. By registered agreement dated the 23rd May, 1963 the said party agreed to give managing contract of the mine to M/s. Kishanlal Agarwalla for a period on terms and conditions mentioned in the agreement. The Company further agreed to apply to State Government of Bihar for permission to the said transfer under Rule 37 of the Mineral Concession Rules. The Company however, permitted the employers to start work immediately in anticipation of the permission and accordingly the work of the mine was being carried by the employers. By another registered agreement dated 23rd May, 1965, the Company agreed to sell the mine to M/s. Kishanlal Agarwalla after obtaining necessary sanction from the concerned Government according to provisions of Mineral Concession Rules.

6. The Deputy Secretary to Government by letter dated the 26th September, 1964 intimated its inability to accede to the request for transfer to Messrs Kishanlal Agarwalla by Messrs National Cement Mines and Industries Ltd., as the period of original leases of Messrs National Cement Mines and Industries Ltd., have been modified by the Controller of Mining Leases and determined on 24th July, 1965 as the dated expiry of the lease. In the meantime Messrs National Cement Mines and Industries Ltd., applied for renewal of the leases which was granted to the said Company ultimately. In the above state of affairs, the District Mining Officer, Ranchi by his memo. No. 2474(ii), dated 30th July, 1968 intimated that the Commissioner, Mines and Geology has permitted to continue working provided an undertaking is given to pay rents and royalties to the State Government in accordance with the rates specified in the Mineral Concession Rules 1960 and to vacate possession immediately if and when mining lease is granted to another person. Messrs Kishanlal Agarwalla accordingly executed the agreement on 12th August, 1968 and was accordingly working on the basis of the above-mentioned undertaking.

7. The Deputy Secretary to the Government of Bihar by Memo No. B/M 4-1031/68/1673/M dated the 10th of March, 1969 intimated the employers that the Renewal of the lease has been granted in favour of M/s. National Cement Mines & Industries Ltd. and the order allowing the Employers to continue in working possession has been revoked. The District Mining Officer, Ranchi by his letter dated the 10th March, 1969 directed the employers to deliver possession of the area to Sri R. Tewari, Mining Overseer on 11th March, 1969 positively. The management made a representation and continued working.

8. In the meantime the workmen through their Union gave strike notice dated 25th March, 1969 with effect from 9th April, 1969. The entire body of the workmen absented from work as on and from 9th April, 1969 in pursuance to the strike notice. Accordingly and naturally the working remained closed on and from

the 9th April, 1969 due to a strike of the workmen. According to the management it is not correct to say that the strike did not materialise through the intervention of Labour Department.

9. In view of the strike by the workmen, and the letter of the Deputy Secretary to the Government of Bihar revoking the possession of the mine by M/s. Kishanlal Agarwalla and the letter of the District Mining Officer, Ranchi dated 10th March, 1969 to deliver possession, the employers had no other alternative but to close the mine. The employers however, attempted to restart the work and some of the workmen voluntarily joined and worked for few days.

10. In the meantime Sri Ashoke Kumar representative of M/s. National Cement Mines & Industries Ltd. started a proceeding under section 144 Cr. P. C. in respect of the mine before the S.D.O. Ranchi being M.P. case No. 685 of 1969. The S.D.O. Ranchi in the above proceeding restrained both the parties from going to the disputed Mine. The proceeding is still pending before the said S.D.O. Ranchi.

11. It will thus appear that the Employers did not close the Mine and had no hand in the closure. The closure was an exigency of the circumstances beyond the control of the Employers and the action of the Employers is neither mala fide nor unjustified.

12. The workmen have no arrear wages due. The workmen have been paid in full upto and inclusive of 8th April, 1969 (till when worked) and granted receipts acknowledging payments. The workmen who worked for few days in May, when attempts were made to restart, have also been paid their wages. It is not true that the Employers closed the mine to break the Union, drive the workers and to start work with newly recruited labour. According to the management the workmen are not entitled to any relief and the question of directing to re-open or re-employ the worker does not arise in the circumstances and the workmen are not entitled to any retrenchment benefit in the circumstances.

13. The management examined one witness viz., MW-1 L. Ansari and also exhibited 5 items of documents which are marked Ext. M-1 to M-5. The Union on the other hand examined 5 witnesses. WW-1 Ropna Mistri, WW-2 Sujan Uran, WW-3 Harakhman Manjhi, WW-4 Jirku Oran and WW-5 Mahabir Ram. They have been examined on the point that they never went on strike with effect from 9th April, 1969. WW-5 is Sri Mahabir Ram Verma, Joint Secretary of the Ranchi District Bauxite and China Clay Mines Employees Union. They have also filed 9 items of documents and they are marked Ext. W-1 to W-9.

14. The point for consideration is whether the management was justified in stopping work at Salgi Boda Bauxite Mine with effect from 9th April, 1969?

15. The employers in their written statement have attempted to enter into a question of title in respect to the mine in question and have alleged that the National Cement Mines and Industries Limited are the owners of the said mine. We are not required to enter into the title of the mine in question. The award must be confined strictly to the terms of the reference and must never extend beyond those terms. In construing the terms of the reference and in determining the scope and nature of the points referred to the Tribunal for adjudication, the Tribunal must, in the absence of any other material on the record, look at the order of reference itself. The management in para 14 and 17 of their written statement had admitted that they are in possession and working the mine.

16. There was a 144 Cr. P.C. proceeding between Messrs National Cement Mines and Industries Ltd., vs. Messrs K. L. Agrawalla. In that case a show cause notice was filed on behalf of Messrs K. L. Agrawalla and in that show cause notice they had admitted that they were in peaceful possession of the said mine by raising and despatching Bauxite and Laterite from the said mine.

17. It appears that there was a dispute between the management and the Union in respect of the charter of the demand for the workmen employed in the Salgi Boda Bauxite Mines. The Labour Enforcement Officer(C), Ranchi wrote a letter dated 28th October, 1968 intimating to the management that the joint discussion shall take place in this connection on 9th November, 1968 at 10.30 A.M. in the office of the Labour Enforcement Officer (C), Ranchi (vide Ext. W-5). It appears that on 8th November, 1968 nobody appeared on behalf of the management. Therefore, the Labour Enforcement Officer, Ranchi wrote another letter to the Management intimating them that the joint discussion shall now take place on 15th November, 1968 at 2 P.M. but it appears that even on that date the Management did not attend the Conciliation Proceeding. Ext. W-3 is another letter dated 7th of January, 1969 addressed by the Labour Enforcement Officer, Ranchi to the

Management intimating to them that the discussion shall take place in this connection on 15th January, 1969 at 10.30 A.M. in his office. But it appears that even on that date nobody appeared on behalf of the management. According to the management thereupon the workmen gave a strike notice dated 25th March, 1969 intimating the management and the Labour Department that the workmen would go on strike on the 9th of April, 1969.

18. The stand taken by the Union is that the aforesaid intended strike on the 9th of April, 1969 did not materialise. Therefore, the point for our consideration is whether there was any strike by the workmen in implementing the notice given by them to the management.

19. According to the workmen the strike did not materialise. According to the management the workmen struck work and the strike materialised. The onus is on the Union to show that they did not go on strike on the stipulated date i.e., on the 9th of April, 1969. The onus is on the Union to show that there was a closure from 11th April, 1969. The Union in their written statement has admitted that they served a strike notice on the management on 25th March, 1969 intimating the management and the Labour Department that the workers would go on strike from 9th April, 1969. In this connection the Union has examined WW-1 to WW-4. They are the workmen of the Mines and they have simply stated that they did not go on strike on 10th April, 1969. WW-2 is Sujan Oran. He has stated in his evidence that he was the Watchman at the Mine. According to him the management removed the implements on the 10th of April, 1969. This is in consonance of the Management's case. According to the management the workmen went on strike on 9th April, 1969. The Management finding that there was a strike removed the implements on the 10th of April, 1969. Therefore, the statement of WW-2 Sujan Oran is in consistent with the fact that there was a strike in the Mine on the 9th of April, 1969. WW-5 is Sri Mahabir Ram Verma, Joint Secretary of the Ranchi District Bauxite and China Clay Mine Employees Union. He has filed written statement on behalf of the workmen. According to him the Union had served a strike notice on the Management on the 25th of March, 1969 and the strike did not materialise. He is the Joint Secretary of the Union and in cross-examination he has admitted that he did not file any subsequent notice either to the Management or to the Labour Department that the previous notice dated 25th March, 1969 is being recalled. He did not serve any notice either on the Management or to the Labour Department intimating the fact that the workmen are not going to struck down the work on the 9th April, 1969. The evidence discussed above goes to show that the workmen went on strike on 9th April, 1969 as proposed.

20. The Management has examined MW-1 L. Ansari who is looking after this case. He has stated in his evidence that the workmen went on strike with effect from 9th April, 1969. He however, stated that all the workmen have been paid their arrear wages and according to him the workmen have been paid up-to-date and inclusive of 8th April, 1969. He also, stated in his evidence that the attendance register is maintained by the management and has produced the attendance register which is marked Ext. M-5. Ext. M-5 shows that the attendance of the workmen in this Mine was marked till 8th of April, 1969 and thereafter their attendance has not been marked. This attendance register has corroborated the fact that the workmen went on strike on 9th April, 1969.

21. In this view of the evidence I hold that the workmen did not come to work on 9th April, 1969 as per notice dated 25th March, 1969 and they struck work from 9th April, 1969.

22. I therefore, hold that the management did not stop work with effect from the 11th of April, 1969 on the other hand the workmen themselves struck work from 9th of April, 1969 onwards. The action of the management was therefore, justified. They had not stopped work on the other hand it is the workmen who had struck work from the 9th of April, 1969 onwards.

23. The Union in their written statement made a prayer that the management be directed to re-open the mine and to re-employ the workmen. In Indian Metal and Metallurgical Corporation's case [1952(I) L.L.J., 364], the Madras High Court pointed out that the right to carry on business or not to carry on business was a right protected by the Constitution. The Supreme Court also accepted the view that the right to carry on a business was protected by the Corporation. Thus prayer of the Union, therefore, cannot be entertained. The workmen accordingly are not entitled to any relief.

24. This is my award. It may be submitted to the Central Government under section 15 of the Industrial Disputes Act, 1947.

PRESENT:

Shri Gopal Narain Sharma, Presiding Officer

The workmen (represented by Rashtriya Gypsum Karmchari Sangh, Jamsar Bikaner—Complainant.

Vs.

The Management of M/s. Bikaner Gypsum Limited, Bikaner—Opposite Party.  
COMPLAINANT No. CIT-1 OF 1969

*Dated the 12th September, 1969*

## AWARD

This is a complaint under section 33-A of the Industrial Disputes Act, 1947 filed by the Secretary, Rashtriya Gypsum Karamchari Sangh, Jamsar, on behalf of the 27 workmen of the management of M/s. Bikaner Gypsum Limited, Bikaner, alleged by laid off by the management without compensations.

Dr. Anand Prakash the learned Counsel for the management has raised a preliminary objection with regard to the maintainability of the complaint. His contention is that the Secretary of the Sangh has no *locu-standie* to file this complaint more so, when he was not even authorised by the aggrieved workmen. According to him it is only a "workman" falling within the definition of section 2(s) of the Act who has a right to make such a complaint.

The Secretary of the Union failed to put in appearance. He was not present on the last hearing also.

The objection raised by Dr. Anand Prakash is not without force. There is nothing on the record to show that the workmen had authorised the Secretary to file the complaint on their behalf. They have only authorised him to represent him—which is not sufficient to enable the Secretary to file the complaint from his side. The complaint does not even bear the signatures of the aggrieved workmen; and the Secretary Shri Gulam Shah is also not one of them. However, since the other party has failed to put in appearance, I would still dismiss the application only for default.

The Award be submitted to the Government of India for necessary publication.

AWARD

The Central Government having received on the 29th August, 1969 the arbitration agreement dated 14th May, 1969 between the employers in relation to Damoda Colliery of Messrs Damodar Coal Co. (P) Ltd., P.O. Raniganj, District Burdwan (hereinafter referred to as the management) and their workmen represented by the Colliery Mazdoor Sabha (AITUC), P. O. Raniganj, District Burdwan (hereinafter referred to as the Sabha) in pursuance of the provisions of sub-section (I) of Section 10A of the Industrial Disputes Act, 1947 (14 of 1947), referring the industrial dispute between them, the specific matters in dispute being as detailed below, to my arbitration and the Central Government being of the opinion that the industrial dispute referred to above exists between the said management and their workmen, ordered publication of the said arbitration agreement in the Gazette of India, Part-II, Section 3, Sub-section (ii) under its order No. 6/47/69-LR.II., dated the 16th September, 1969:—

“Whether the management of Damoda Colliery, P.O. Raniganj, District, Burdwan is justified in stopping Sarvashri Bancho Daso, Dinna Sashmal, Natha Parihari, Ganapat Pradhan, Wagon Loaders from work on and from 17th April, 1969, and if not, to what relief they are entitled?”

2. The management, Damoda Colliery of M/s. Damodar Coal Co. (P) Ltd. submitted a written statement on behalf of the management on 29th September 1969 which was received by me on 4th October 1969. The representative of the Sabha, however, did not submit any written statement. According to the said arbitration agreement I was to give my arbitration award within 60 days from 14th May 1969. However, on 11th August 1969 the parties entered into a further mutual agreement wherein they agreed that I could give my award latest by 30th October 1969. However, the matter came up for hearing on 14th October 1969 when Shri C. L. Khowala, Agent Damoda Colliery was present on behalf of the management and Shri Robin Chatterjee, Vice-President Colliery Mazdoor Sabha (AITUC), Raniganj was present on behalf of the workman. On 14th October 1969 the parties filed a joint petition of compromise dated 14th October 1969 stating therein that the instant industrial dispute has been amicably settled between the parties on the terms detailed in the compromise petition dated 14th October 1969 and that I might accept the terms of settlement incorporated therein and pass my award accordingly. The terms of the settlement incorporated in the compromise petition dated 14th October 1969 were duly verified by me and brought on record. The terms of settlement incorporated in the compromise petition dated 14th October 1969 appear to be fair, just, reasonable and in the interest of the workmen concerned and as such I accept them. Accordingly, I make my arbitration award in terms of the compromise petition dated 14th October 1969 and

submit it to the Central Government under Section 10A of the Industrial Disputes Act, 1947. The joint petition of compromise dated 14th October 1969 is annexed hereto and made part of the award.

M/s. Damodar Coal Co. (P) Ltd., P.O. Raniganj, District Burdwan.

AND

The workmen represented by Colliery Mazdoor Sabha (AITUC), P.O. Raniganj,  
District Burdwan.

The parties aforesaid respectfully beg to submit as under:—

That the parties have amicably settled the dispute between them on the following terms:—

- (a) The workmen S/Shri Bancha Daso, Dinna Sashmal, Natha Parihari and Ganapat Pradhan have since been allowed to work as Wagon Loaders on casual basis for loading extra wagons as and when available.
- (b) The management in consultation with the union is contemplating to assess the workload in relation to wagon loading for the past six months or so to determine nucleus of permanent wagon loaders in the Damodar Colliery. After this is done, in case the four workmen in question come within the zone of permanency they will be so declared as permanent and in case otherwise these workmen shall continue to be employed as wagon loaders on a casual basis as heretofore.
- (c) The terms (a) and (b) above are agreeable to both the parties and this resolves the dispute in question

It is therefore prayed that the learned arbitrator may be pleased to accept this settlement and give an award incorporating the same.

**S.O. 4470.**—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of Shri O. Venkatachalam, Arbitrator in the Industrial Dispute between the employers in relation to the Singareni Collieries Company Limited, Post Office Kothagudium (Andhra Pradesh), and their workmen, which was received by the Central Government on the 25th October, 1969.

IN THE MATTER OF ARBITRATION UNDER SECTION 10A OF THE INDUSTRIAL DISPUTES ACT, 1947, IN THE INDUSTRIAL DISPUTE BETWEEN THE MANAGEMENT OF M/S. SINGARENI COLLIERIES CO. LTD. AND THEIR WORKMEN REGARDING PAYMENT OF ARREARS OF V.D.A.

PRESENT:

Shri O. Venkatachalam, Chief Labour Commissioner and Arbitrator.

*Representing the management:*

Singareni Collieries Co. Ltd.  
Kothagudium.

*Represented by:*

1. Shri V. L. Karwande, General Manager.
2. Shri N. Bhaskarachary, Chief Personnel Officer.
3. Shri M. V. Ramakrishna Rao, Asstt. Personnel Officer.

*Representing the workmen:*

1. Singareni Collieries Workers' Union, Kothagudium.
2. Tandur Coal Mines Labour Union, Belampalli.

1. Shri M. Komaraiah, General Secretary.
1. Shri S. Nagaiah Reddy, President.

By an agreement dated 16th April, 1969, the General Manager of M/s. Singareni Collieries Co. Ltd., Kothagudium and the representatives of Singareni Collieries Workers' Union, Kothagudium and Tandur Coal Mines Labour Union, Belampalli, agreed to refer the following issue for my arbitration under Section 10A of the Industrial Disputes Act, 1947:—

"Having regard to the recommendations of the Central Wage Board for Coal Mining Industry (Paragraphs 27 and 28 of Chapter VII) and the present financial condition of the Company, whether the Company can pay to the workmen the arrears of Dearness Allowance (difference between the rate of Rs. 1.47 per day claimed by the workmen from 1st April 1968 and the rate of Rs. 1.11 actually paid by the Management since that date) for the period from 1st April 1968 to 30th April 1969 and if so, to what relief the workmen are entitled?"

The parties further agreed that the decision of the Arbitrator shall be binding on them and that the Arbitrator shall make his award within a period of 3 (three) months or within such further time as is extended by mutual agreement between them in writing. It is also stipulated in the said agreement that in case the award is not made within the period aforementioned, the reference to arbitration shall stand automatically cancelled and the parties shall be free to negotiate for fresh arbitration. The arbitration agreement was published in the Gazette of India by the Central Government on 15th May, 1969. As the case could not be disposed off for various reasons within the period of three months initially agreed to by the parties, the period was later extended by the parties till the middle of October, 1969 and subsequently further extended till the 25th October, 1969.

2. The relevant facts of this case are these:—

The Central Wage Board for Coal Mining Industry set up by the Government of India in August, 1962, submitted its report on 13th February 1967 in which it recommended (unanimously), among other things, the following formula for compensating the workmen for increase in the Cost of Living Index beyond 1966; (vide Paragraph 27 & 28 of Chapter VII of the Report.)

"For every point's rise over the index number 166, to which our wage structure is linked, the variable dearness allowance shall be 3 paise per day. The method of calculation of the index shall be on the basis of the average of six months i.e. from January to June and

July to December in each year and the adjustments will be made on 1st October, and 1st April each year respectively as at present. If there are fractions in the average, the next higher integer will be taken. We would, however, make it clear that if there is a fall in the average cost of living Index Number for any period of six months from the average Index Number for the previous period of six months, the dearness allowance will be reduced to the extent of such a fall at the rate of 3 paise per point per day; but not if the Index Number falls below 166."

The Management of M/s. Singareni Collieries Co. Ltd., along with several other employers in the coal industry had implemented the Wage Board recommendations by paying to the workmen as per the scheme of D.A. at 78 ps. per day from 15th August 1967 and at Rs. 1.11 paise per day from 1st October 1967 in accordance with the D.A. formula of the Wage Board mentioned above. As the average All-India Consumer Price Index figure for the six months of July to December, 1967, had further increased to 215, the Management was to increase the rate of D.A. to Rs. 1.47 per day from 1st April 1968 (a rise of ps. 36 per day), but they did not do so on the ground that the deteriorating financial condition of the Company did not permit the payment of this increased D.A. The Trade Unions functioning in the mines of this Company and more particularly the two recognised unions viz., the Singareni Collieries Workers' Union and the Tandur Coal Mines Labour Union, therefore, raised disputes and carried on agitation since March, 1968, for payment of the difference in the Variable Dearness Allowance viz., 36 Paise per day. This issue concerned all the workmen of the Company numbering about 30,500 and involved, according to the Management, an amount of Rs. 37 lakhs. Conciliation proceedings held by the RLC(C), Hyderabad, to bring about a settlement of the dispute ended in failure in September, 1968. As the issue continued to remain unsettled, the Singareni Collieries Workers' Union observed peaceful dharna from 27th January till 1st February, 1969. Thereafter, the Chief Labour Commissioner intervened in the dispute and brought about a settlement on 24th March 1969. Under this Settlement, the Management agreed to pay the workmen the higher rate of D.A. of Rs. 1.47 per day from 1st May 1969 in terms of paragraphs 27 and 28 of chapter VII of the Wage Board's report, but they pleaded financial incapacity of the Company to pay the arrears on this account for the period from 1st April 1968 to 30th April 1969. The settlement however, provided for the following:—

"The question of payment of arrears of D.A. (the differences between the rate of Rs. 1.47 per day claimed by the workmen from 1st April 1968 and the rate of Rs. 1.11 actually paid by the Management since that date) for the period from 1st April 1968 to 30th April 1969 will be referred by parties to Shri O. Venkatachalam for his arbitration under Section 10A of the I.D. Act with the following term of reference:—

Having regard to the recommendations of the Central Wage Board for Coal Mining Industry (Paragraphs 27 and 28 Chapter VII) and the present financial condition of the company, whether the company can pay to the workmen the arrears of D.A. (difference between the rate of Rs. 1.47 per day claimed by the workmen from 1st April 1968 and the rate of Rs. 1.11 actually paid by the management since that date) for the period from 1st April 1968 to 30th April 1969 and if so, to what relief the workmen are entitled?"

3. The aforesaid provision in the Conciliation Settlement effected by the Chief Labour Commissioner led to the arbitration agreement dated 16th April, 1969, between the parties referred to in paragraph 1 above.

4. After calling for the statements of their respective cases from the parties, I took up the case for hearing on 11th September 1969 at Hyderabad. At this hearing, the representatives of the unions stated that as they were then pre-occupied with the impending strike over their charter of demands, they would like the hearing to be postponed to a later date and the management had no objection to the postponement. The hearing was accordingly postponed. The case was taken up for final hearing at Hyderabad on 6th October 1969 and the hearing concluded on the 7th October. At the end of the hearing the management was called upon to furnish a statement explaining how their company's financial position would not allow the payment of arrears of V.D.A. for the period from 1st April 1968 to 30th April 1969 in spite of coal price increases of Rs. 5.23

and Rs. 1.15 availed of by them from 1st September 1967 and 1st July 1968 respectively. Likewise the unions were called upon to furnish a statement explaining how, in spite of the financial loss suffered by the Company during the year 1968-69 as shown in the Management's written statement dated 29th July 1969, the company could still be expected to pay the arrears of V.D.A. under this arbitration. These statements were to be furnished by the parties to the arbitrator not later than 12th October with a copy to each other. The General Manager was also requested to furnish a statement on the financial position of the company for the year, 1968-69 by the 10th October with copies to both the unions.

5. According to the written and oral submission made by the unions, the recommendations of the Wage Board concerning wages, D.A., etc. as accepted by the Government of India were implemented by the management of M/s. Singareni Collieries Co. Ltd., with effect from 15th August, 1967 (*vide* their circular letters dated 14th September 1967 and 13th October 1967). The unions invited particular attention to paragraph 1 of the management's circular of 14th September 1969 in which it was stated that "when the recommendations of the Wage Board as approved by the Government of India are implemented, the new wage scales and the new service conditions will totally replace the existing wage scales and service conditions including allowances etc. ....". They also invited attention to paragraph 6 of the management's subsequent circular dated 13th October 1967 in which it was stated that in view of the Wage Board's recommendations, the workers will be eligible for D.A. at Rs. 1.11 per day from 1st October 1967 until further orders. My attention was also drawn to para 2 of the Management's letter dated 14th October 1967 addressed to the Singareni Collieries Workers Union not to resort to strike at that stage thereby enabling the management to undertake immediate implementation of the recommendations of the Wage Board. The Unions, therefore, argued that the revised wage structure and D.A. etc. payable under the Wage Board recommendations have formed new service conditions totally replacing the pre-wage board service conditions of the workmen. They further argued that the method of linking D.A. with the cost of living index was duly accepted by the Government and also upheld by the Supreme Court, and the same was implemented by this Management, along with other employers in the country, since 1956 in pursuance of the LAT's decision. It has thus become a service condition for the workmen. According to them, the LAT's rate of 19 paise per day for every 10 points of increase in the average index number (two paise per point) was replaced since 15th August 1967 by the Wage Board's rate of 3 paise for every point of increase in the index number. The representatives of the unions questioned the management's action in not implementing the 3rd slab of 36 paise increase per day with effect from 1st April 1968 after having implemented the first two slabs of increase in D.A. (78 paise per day from 15th August 1967 and Rs. 1.11 paise per day from 1st October 1967) under the Wage Board's recommendation. They stated that even as per the LAT's award which was legally binding on the management even after the Wage Board's recommendations have been implemented, the management should have paid the workmen Rs. 4.87 (Rs. 4-14-0) per month or 18.7 paise per day for the rise of 12 points in the average consumer price index for the period from 1st April 1968 to 30th April 1969. In reply to these contentions, the management argued that the Wage Board's recommendations were not legally binding on employers, but they would be binding on them only to the extent to which they have been specifically accepted by the Management.

6. On the question of financial capacity of the Company to pay the arrears of D.A. under consideration, the unions stated that in recognition of the special problems of the Singareni Collieries and their location, the Government have always granted higher prices for their coal than for other coals in the country and that in order to enable this Management to meet their additional financial liability on account of implementation of the Wage Board's recommendations including the Variable D.A., they have been granted a price increase of Rs. 5.23 per ton from 1st September 1967 (as against Rs. 5 for Bengal and Bihar coals and Rs. 4 for other outlying coals) and a further increase of Rs. 1.15 per ton from 1st September 1968 (as against Re. 1 for the other outlying coals). In this connection, the unions also referred to the proposed increase of 00.70 paise per ton from 1st October 1969 despite the fall in D.A. from that date by 00.18 paise per day which this Management proposed to effect. They also stated that the Management, with the full consent of and agreement with the Unions, had reduced the labour strength in their collieries by 2,150 men during 1968 and further by 1,060 men during the first half of 1969 (total 3,200), thus effecting a saving

of rupees one crore per annum (recurring). According to them, the Management had also increased the workload of each and every category of workmen while implementing the Wage Board's recommendations and that they have also curtailed the medical, canteen and civic amenities as hitherto enjoyed by the workmen on grounds of economy thereby making a substantial saving. The workmen's representatives argued that if, in spite of the special consideration shown by the Government in regard to price structure and the sacrifice of the workmen by agreeing to voluntary retirement of over 3,000 men, the Management could not avoid losses, it was entirely due to their own policies for which the workers were not in any way responsible. In any case, they argued, D.A. which forms part of wages should not be dependent on the profits or losses of the management.

7. It was stated on behalf of the management that although the financial position of the Company was unsatisfactory, they implemented the Wage Board's recommendations as approved by the Government with effect from 15th August 1967 at a cost of Rs. 250 lakhs per annum initially, but the Management was able to obtain a price increase of only Rs. 5.23 per ton from 1st September 1967 which did not cover the additional cost of implementation. Hence there was a gap of Rs. 00.62 per ton. Adverting to the adverse coal trade in the recent past, the management stated that there has been stagnation and shrinkage of demand for coal during recent years resulting in increasing ground stocks from year to year viz., with 25 lakhs tons as on 31st March 1963 the stocks gradually went upto 10.16 lakhs tons as on 31st March 1969. According to them, the superior grade coals from other coal fields have been seriously competing with their coal, seriously affecting their sale particularly in regard to their rough slack coal. They also referred to the adverse effects which the recent cyclone and civil commotion in recent months etc. had on their despatches. They have not been able to improve their working results because of the growing competition for better coal from the market and the resistance from consumers notably the railways and electricity boards whom among themselves buy nearly three-fourths of the Company's production with the results that the Company is faced with the problems of large inventories of machinery and stores, increasing ground stocks and rising losses. According to them, the net losses of the Company increased from 2.91 lakhs in 1965-66 to Rs. 74.54 lakhs in 1966-67 and further to Rs. 137 lakhs in 1967-68. Although the balance-sheet for 1968-69 has not yet been finalised, working results for the year reveal a net loss of Rs. 141.95 lakhs which does not include the expenditure of Rs. 48.14 lakhs on voluntary retirement. The Company's budget for 1969-70 indicated a loss of Rs. 93.88 lakhs before providing for development rebate. According to the Management, the unsatisfactory financial position of the Company and its inability to pay higher D.A. from 1st April 1968 and the fact that they would be able to pay the higher D.A. from 1st May 1969 only if 1,500—2,000 workmen volunteered to retire from service were conceded by the unions as will be evident from the "Short Recital" in the memorandum of settlement dated 24th March 1969. In these circumstances, they pleaded that the payment of arrears of V.D.A. amounting to Rs. 37.11 lakhs for the period 1st April 1968 to 30th April 1969 is not justifiable and as such the workmen's claim for the same should be rejected by the Arbitrator.

8. Refuting the contention of the Unions that the recommendations of the Wage Board as approved by the Government of India and implemented by this Management have become new conditions of service of the workmen, the management argued that no doubt they had decided to pay D.A. at the rate of 78 paise per day from 15th August 1967 and at the increased rate of Rs. 1.11 per day from 1st October 1967 until further orders, but it is not correct for the Unions to assume that the management had accepted the recommendations of the Wage Board *in toto* in regard to D.A. and that the recommendations not being statutory, only those of them which the management had specifically accented and implemented can be regarded as revised service conditions but not the entire scheme of recommendations. After the price of coal was decontrolled, it was not practical for the Management to increase the scale of D.A. under the Wage Board's recommendations without obtaining adequate and corresponding price increase as was the position prior to decontrol of coal.

9. Adverting to the argument on behalf of the workmen that D.A. should not be linked with profits and losses of the Company, the Management argued that unless D.A. is payable under an award, any claim for additional D.A. under the Wage Board recommendations should be linked with the financial position of the Company especially as the Company has been already paying a fair wage to the

workmen. In support of this contention, they referred to the various judgments of the Supreme Court wherein it was held that while examining the workmen's demand for provision of D.A., the question whether the employer can reasonably be called upon to bear that burden should be given due consideration. With regard to the Unions' contentions of substantial savings effected by the Management through voluntary retirement of workmen and other economies effected by the Management at the cost of the workmen, it was argued on behalf of the Management that in spite of these economies the financial position of the Company has not improved and the losses are continuing and that the position would have been still worse if necessary economies were not effected.

10. As regards the Union's argument that the price increases obtained by the management from time to time would cover the demand for additional V.D.A., the Management argued that the price increases did not adequately cover the cost of implementation of the Wage Board's recommendations including the higher rate of V.D.A. They submitted details of the cost incurred by the Company and the price increases granted to them since 1967 showing also how the price increases were always less than the increase in the Company's cost. All the same, it has not been denied by the Management that the increase in V.D.A. was one of the factors taken into account by the Government in granting coal price increases from time to time. While denying the Unions' contention that the workload of the workers has been increased by the Management while implementing the Wage Board's recommendations, the management stated that the O.M.S. in the Singareni Collieries was .50 in 1967-68 and .51 in 1968-69 (as against the All-India average of .63) representing only 2 per cent. increase in output per man-shift which has been the normal rate of increase in efficiency in the Singareni Collieries during the last several years.

11. In the light of the facts and considerations set out in the preceding paragraphs, I must hold that the workers of M/s. Singareni Collieries Co., would be entitled to claim the payment of higher rate of D.A. at Rs. 1.47 per day from 1st April 1968 in terms of the Wage Board's recommendations as approved by the Government of India and implemented by this Management along with other employers. Although the management of this Company has contended that the price increases which it has received from time to time have not adequately covered their increased cost on account of the rise in V.D.A., from the fact that some other major employers in the coal industry like M/s. N.C.D.C. and M/s. Bengal Coal Co. (not to speak of M/s. TISCO and IISCO) have, under similar circumstances, fully implemented the Wage Board's recommendations including the V.D.A., I must conclude that the price increase granted to the management of M/s. Singareni Collieries Co., should be considered adequate to cover the increased V.D.A. to the workmen, more so in view of the various economies effected by them during the last two years with the active cooperation of the workmen and their Unions. The fact, nevertheless, remains that the Company has been incurring recurring losses of a substantial character in the recent years as already mentioned above, but the workmen are not responsible for these losses as urged by their representatives before me. At the same time, with the growing recognition of the role of the workers as partners in the industry with a right to a share in the profits of the industry as also the losses, if need be, they should in this case forego a part of their arrears of D.A. This should be so particularly in a public sector undertaking where the question of profits going into the pockets of some private individuals would not arise. I, therefore, direct that the workers of M/s. Singareni Collieries Ltd., should forego a third of the arrears of wages due to them for the period from 1st April 1968 to 30th April 1969. This means that they would be entitled to payment of arrears of V.D.A. at the rate of 24 paise per day for the relevant period. In view of the unsatisfactory financial position of the Company, I further direct that these arrears shall be paid to each individual workman in three equal instalments, the first instalment in the last week of November, 1969, the second in the last week of January, 1970, and the third in the last week of March, 1970. This would mean that the payment of arrears to the workmen would have been deferred by one to two years, and to this extent the Company would have some saving by way of interest charges, and the workers have foregone a little more than one third of the arrears of D.A.

*For workmen:*—Shri B. N. Singh, Advocate.

**INDUSTRY:** Coal.

**STATE:** Bihar.

*Dhanbad, dated the 14th of October 1969*

**AWARD**

1. The Central Government, being of opinion that an industrial dispute exists between the employers in relation to the Junkundar Colliery, Post Office Chirkunda (Dhanbad) and their workmen, by its order No. 2 (10)/67-LRII, dated the 8th of February, 1967 referred under section 10(1)(d) of the Industrial Disputes Act, 1947, to the Central Government Industrial Tribunal, Dhanbad for adjudication the dispute in respect of the matters specified in the Schedule annexed thereto. The Schedule is extracted below:—

**SCHEDULE**

“Whether the action of the management of Junkundar Colliery of M/s. D. Mondal & Company, Post Office Chirkunda in transferring Shri Koila Nonia, Smt. Sonia Noina, Smt. Nagma Nonian, Smt. Basmatia Nonia, from the Junkundar Colliery to Shampur Badjna Colliery with effect from 18th April, 1966 was justified? If not, to what relief are they entitled?”

2. The Central Government Industrial Tribunal, Dhanbad registered the reference as reference No. 16 of 1967 on its file. While it was pending there the Central Government by its order No. 8/25/67-LRII, dated the 8th of May, 1967 transferred the dispute to the Central Government Industrial Tribunal, No. 2, Dhanbad, where it was registered as reference No. 214 of 1967. The Central Government by its subsequent order No. 8/71/68-LRII, dated the 13th of August, 1968 transferred the dispute to this Tribunal and here it has been re-numbered as reference No. 85 of 1968.

3. The Colliery Mazdoor Sangh filed written statement on behalf of the workmen on 15th February, 1969. Their case is that the concerned workmen have been working as wagon loaders at Junkundar Colliery for several years and are permanent employees of the colliery. The management illegally stopped them from work from 21st December, 1965 and they thus remained idle and unemployed from 21st December, 1965 to 17th April, 1966. According to the Union a settlement was arrived at on 15th April, 1966 during conciliation proceedings on the dispute raised by the Union, the management had agreed to reinstate the workmen concerned on their original jobs in Junkundar colliery with effect from 18th April, 1966, and had also agreed to pay Rs. 200/- to each workman for the forced idleness for the said period of unemployment. The management instead of putting the workmen

concerned on their original jobs in Junkundar colliery and to pay Rs. 200/- each in terms of the said settlement of 15th April, 1966, transferred the workmen concerned with effect from 18th April, 1966, to another colliery, Shampur Badjna colliery, which is at a distance of 10 to 15 miles from the Junkundar Colliery.

4. According to the Union this transfer by the management of the concerned workmen from the very date they were required to be put on their respective jobs in Junkundar colliery was against the said settlement and was done to harass the workmen concerned. According to the Union the aforesaid transfer by the management in the circumstances stated above was mala fide, uncalled for, motivated and against the said settlement and as such illegal. Further three of the workmen concerned are females living with their families at Junkundar colliery. The nature of job performed by the workmen concerned was unskilled and not a technical one, and there could be no reason for their hasty transfer. The transfer order of the management purported to break the families and was done with the ulterior motive of getting rid of the workmen concerned any how.

5. The concerned workmen and also the Union at first made verbal representations to the Manager of Junkundar colliery. Thereupon, the Union made a written representation to the Manager by its letter dated 21st June, 1966, and getting no response from the management, the Union raised an industrial dispute on the issue by its letter dated 23rd October, 1966, to the Assistant Labour Commissioner (C), Dhanbad.

6. According to the Union the action of the management in transferring the concerned workmen with effect from the 18th April, 1966, the very date when under the settlement of 15th April, 1966, they were to be put back on the original jobs in Junkundar colliery, was mala fide, unjustified and illegal. The Union therefore, prayed for reinstatement of the concerned workmen with full back wages.

7. The employers filed their written statement on 14th February, 1969. Their case is that the concerned workmen were found guilty of riotous and disorderly behaviour for which the charge-sheets, dated 21st December, 1965 were issued to them and they were subsequently dismissed for the above misconduct with effect from 13th January, 1966. A settlement, dated 15th April, 1966, was arrived at in course of Conciliation proceedings by which it was agreed to reinstate all the dismissed workmen. But due to want of adequate number of working faces and fall in despatch it was not possible to absorb all the miners and loaders reinstated as per terms of settlement dated 15th April, 1966. The employers therefore, transferred the concerned workmen to their Shampur Badjna colliery with effect from 18th April, 1966, without affecting their wages and other conditions of service in any way. Both the Junkundar colliery and Shampur Badjna colliery belong to and managed by the same employer namely M/s. D. Mondal & Co. According to the management on the facts and circumstances stated above the action of the management in transferring the concerned workmen from Junkundar colliery to Shampur Badjna colliery with effect from 18th April, 1966, was justified and that the workmen are not entitled to any relief.

8. The workmen examined only one witness viz., Sri Kalla Nonia, the concerned workman mentioned in serial No. 1 of the Schedule of the reference. Two items of documents were exhibited on behalf of the Union and they are marked Ext. W-1 and W-2. The management examined one witness viz., Sri Ramdeo Prasad and also filed 5 items of documents which are marked Ext. M-1 to M-5.

9. The point for consideration is whether the management is justified in transferring the concerned workmen from Junkundar colliery to Shampur Badjna Colliery with effect from 18th April, 1966?

10. There are certain admitted facts in this case. All the concerned workmen are the permanent miners and loaders working in the Junkundar colliery. In course of conciliation proceeding a settlement was arrived at on 15th April, 1966. The terms of settlement are as under:—

"The concerned workmen will be reinstated to their former employment with effect from 18th April, 1966. The period of idleness from 21st December, 1965 to 17th April, 1966, will be treated as lay off and they will be paid lay off compensation amount to Rs. 200/- each.

The terms of settlement will be implemented immediately and the parties will send the implementation report to the Assistant Labour Commissioner, Dhanbad II by 30th April, 1966".

11. The management did not implement the aforesaid settlement arrived at on 15th April, 1966, on the ground that due to want of adequate working faces and fall in dispatch it was not possible to absorb all the miners and loaders reinstated as per terms of settlement dated 15th April, 1966. Therefore the management transferred the concerned workmen to their Shampur Colliery with effect from 18th April, 1966. The management repudiated the settlement and refused to implement the same. The management transferred the concerned workmen from the very date they were required to be put on their respective jobs in Junkundar colliery. The transfer was therefore, clearly against the terms of settlement arrived at on 15th April, 1966. As already stated above a settlement was arrived at on 15th April, 1966, and it was to be implemented from 18th April, 1966. But the management did not implement the agreement on the other hand transferred the concerned workmen to Shampur Badjna colliery in contravention of the terms of settlement.

12. It is to be noted that out of 4 concerned workmen 3 are females. According to the Union these female workers were living at Junkundar colliery with their families and that it was not possible for them to maintain two establishments, i.e., one at Junkundar and other at Shampur Badjna colliery where they were transferred. Moreover, the Shampur Badjna colliery is at a distance of 12 to 14 miles from Junkundar colliery, WW-1 Sri Kaila Nonia the concerned workman mentioned in serial No. 1 of the reference has stated in his evidence that he along with other female workers went to the colliery on 18th April, 1966, but they were refused employment by the management. He further stated that the management however, allowed them to resume work from 27th May, 1967 and that all the concerned workmen worked in the colliery till it was closed on 9th November 1968. Therefore, according to the concerned workmen their case is that the management did not pay them anything for the idle period i.e., from 18th April, 1966 to 26th May, 1967, and that for this period they are entitled to get their usual wages.

13. Ordinarily the employer has no power to order the transfer of his workmen from one establishment to another, in the absence of any express provision in the contract of employment or in the Standing Orders giving him such authority. Such a power is not implicit in the contract of employment. In the usual course, the employee must be taken to have agreed to serve only in the mine in which he was engaged in service, and the employer must be taken to have employed him only for service in that mine. To import in the contract of employment a term conferring on the employer a right to transfer the workmen working in a mine in one place to a different mine in another place amounts to making a new contract between them.

14. Therefore, in any view of the case I hold that the management was not justified in transferring the concerned workmen from Junkundar colliery to Shampur Badjna colliery with effect from the 18th of April, 1966. According to the Union these workmen were again allowed to resume work from 27th May 1967 and that they worked there till the colliery was closed on 9th November, 1968. The concerned workmen are therefore, entitled for their usual wages for the idle period, i.e., from 18th April, 1966 to 26th May, 1967.

15. This is my award. It may be submitted to the Central Government under section 15 of the Industrial Disputes Act, 1947.

P. Lalla and Sons, Post Office Tundu, District Dhanbad and their workmen, which was received by the Central Government on the 22nd October, 1969.

THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL (NO. 3) AT  
DHANBAD.

REFERENCE No. 6 OF 1969

PRESENT:

Shri Sachidanand Sinha, M.A.M.L., Presiding Officer.

PARTIES:

Employers in relation to the Tundo Khas Colliery.

Vs.

Their workmen.

APPEARANCES:

For employers:—Shri S. S. Mukherjee, Advocate.

For workmen:—Shri Lalit Burman, General Secretary.

INDUSTRY: Coal.

STATE: Bihar.

Dhanbad, Dated the 16th of October 1969.

AWARD

1. The Central Government, being of opinion that an industrial dispute exists between the employers in relation to the management of Tundo Khas colliery of Messrs J. P. Lalla and Sons, Post Office Tundo, District Dhanbad and their workmen, by its order No. 2/185/68-LRII, dated the 14th of January, 1969, referred under section 10(1)(d) of the Industrial Dispute Act, 1947 to this Tribunal, for adjudication the dispute in respect of the matters specified in the schedule annexed thereto. The Schedule is extracted below:—

SCHEDULE

“Whether the management of Tundo Khas Colliery of Messrs J. P. Lalla and Sons, Post Office Tundo, District Dhanbad, was justified in terminating the services of Shri Sukambar Pasi, Shot firer, with effect from the 1st June, 1968? If not, to what relief is the workman entitled?”

2. The employers filed written statement on 10th February, 1969. Their case is that Shri Sukambar Pasi was working as a Shot firer at the relevant time. He attained the age of 60 years on 2nd April, 1968. He did not obtain within the preceding one year of his attaining 60 years of age, a medical certificate of fitness certifying him fit to carry out the duties prescribed for him as required under the Mines Regulations. In view of the above Shri Sukambar Pasi was incompetent to discharge his statutory duties of a Shot firer after 2nd April, 1968.

3. The Deputy Director of Mines Safety during his inspection on 1st May, 1968 and 31st May, 1968, directed that Sri S. Pasi shall not be entrusted with statutory duties as he did not appear at the medical examination and was not declared medically fit during the preceding five years. The above direction of the Director of Mines Safety was confirmed by the letter dated 26th June, 1968 of the Joint Director of Mines Safety. Shri Sukambar Pasi also filed application dated 5th June, 1968, for withdrawal of his Coal Mines Provident Fund on the ground of his retirement. He also received his full and final payment after retirement on 1st June, 1968.

4. The services of Sri Sukambar Pasi stood terminated on retirement and the present dispute raised by him is without any basis and only speculative one. As on 1st June, 1968 the concerned workman was invalid to discharge the statutory duty of a shot firer and he had voluntarily retired from that date. He is not entitled to any relief.

5. The workman filed written statement on 21st February, 1969. His case is that he holds the appropriate Shot firer's certificate granted by the Department of Mines under the Mines Act which was renewed from time to time as required. The management of Tundo Khas colliery rendered him idle from 1st June, 1968 without any notice or prior intimation. Later on he was informed that his service was terminated because he was over the age of 60 years at the relevant time. He made an application dated 16th May, 1968 for the necessary certificate of fitness

by the Medical Board as required under Regulation 28 of the Indian Coal Mines Regulations, 1957 and he appeared for examination on 18th July, 1968 before the Medical Board and was declared medically fit for a further period of one year from 2nd April, 1968. The certificate of fitness granted by the Medical Board was produced before the management personally by the concerned workman and also through the Assistant Labour Commissioner (Central) Dhanbad in course of the conciliation proceedings. But in spite of that the management terminated the service of the concerned workman with effect from the 1st June, 1968. According to the concerned workman the management acted with mala fide intention and he is therefore entitled to be reinstated with full back wages from 1st of June, 1968.

6. The management examined two witnesses viz., MW-1 Mohan Lal, Superintendent of Coal Mines Provident Fund office, Dhanbad and MW-2 Sri Birendra Prasad, Office clerk in the Tundu Khas colliery. Three items of documents were produced on behalf of the management and they are marked Ext. M-1 to M-3. On behalf of the workmen one witness was examined viz., WW-1 Sukambar Pasi and two items of documents were exhibited and they are marked Ext. W-1 to W-2.

7. The point for consideration is whether the management was justified in terminating the services of the concerned workman Sri Sukambar Pasi, Shot firer with effect from 1st of June, 1968?

8. The concerned workman Sri Sukambar Pasi attained the age of 60 years on 2nd April, 1968. Ext. W-1, is the Shot firer certificate of the concerned workman. It shows that the concerned workman Sukambar Pasi was aged 32 years on the 2nd of April, 1968 and according to the Shot firer certificate Ext. W-1 he attained 60 years of age on the 2nd of April, 1968. Ext. M-2 is the application of the concerned workman Sri Sukambar Pasi for refund of the Provident Fund money. The ground of filing the application for the refund of the Provident Fund money was retirement on attaining the age over 60 years. It also shows that the reason for termination of service was over age. Therefore, the concerned workman attained the age of 60 years on 2nd April, 1968.

9. No person is entitled to be a Shot firer after attaining the age of 60 years unless he obtains the medical certificate of fitness as laid down in Regulation 28 of the Coal Mines Regulations, 1957. Regulation 28 of the Coal Mines Regulation runs as follows:—

“No person shall act as a Shot firer in a mine after attaining the age of 60 years unless he has obtained within preceding one year the medical certificate of fitness certifying him fit to carry out the duties prescribed for him in the Act.”

10. It is not disputed that the concerned workman Sri Sukambar Pasi did not obtain any such medical certificate of fitness within preceding one year of his attaining the age of 60 years. He had however, obtained the medical certificate after the expiry of 60 years. Ext. W-2 is the letter from the Director-General of Mines Safety's office dated 30th July, 1968 regarding his medical certificate. He was declared medically fit by the Medical Board which was held on 18th July, 1968 after he had attained the age of 60 years. Therefore, Ext. W-2 is not in compliance with Regulation 28 of the Coal Mines Regulations, 1957. After he had attained the age of 60 years he applied for the refund of Coal Mines Provident Fund money and he was paid the amount lying at his credit (*vide* Ext. M-2). Ext. M-3 shows that he after his retirement received full and final payment from the management on 8th June, 1968 (*vide* Ext. M-3). WW-1 Sri Sukambar Pasi has also admitted in his evidence that after the termination of his service he was paid his monthly pay for the month of May, 2 quarterly bonuses and one profit sharing bonus and that he had also withdrawn the Provident Fund money. His service was therefore, terminated on the 1st of June, 1968 as he had attained the age of 60 years.

11. The management was therefore, justified in terminating the services of Sri Sukambar Pasi, Shot firer with effect from the 1st of June, 1968 and the concerned workman is not entitled to any relief.

12. This is my award. It may be submitted to the Central Government under section 15 of the Industrial Disputes Act, 1947.

Presiding Officer.

**AWARD**

By S.O. No. 51/62/67.LR.III, dated 21st November, 1967, the Central Government, in exercise of the powers conferred by clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947), (hereinafter to be referred as Act), referred the following industrial dispute existing between The Punjab Co-operative Bank Limited and their workmen for adjudication to this Tribunal:—

“Whether having regard to the provisions of Paragraph 6.39 of the Award of the National Industrial Tribunal (Bank Disputes), Bombay, dated the 7th June, 1962, the demand for payment of enhanced conveyance allowance to (i) clearing clerk (ii) Shri Gian Prakash Gupta, Godown Keeper, Punjab Co-operative Bank Ltd., Chandni Chowk, Delhi for attending to Bank's work is justified? If so, to what relief are the workmen entitled and from which date?”

2. The wages and other conditions of service of the employees of The Punjab Co-operative Bank (hereinafter to be referred as Bank), are governed by the award of the All India Industrial Tribunal (Bank Disputes), Bombay commonly known as the Sastry Award as further modified by the National Industrial Tribunal (Bank Disputes) Award commonly known as the Desai Award and the bank is admittedly a 'C' class bank under the said two awards. A settlement was arrived at on the 3rd of March, 1958, between the bank and The Punjab Co-operative Bank Employees' Union (hereinafter to be referred as Union), with the concurrence of the conciliation officer in accordance with which the bank agreed to pay Rs. 6 per month to its clearing clerk as conveyance allowance for going to the State Bank of India to attend the clearing house from 1st April, 1957. By a letter dated the 5th of July, 1966, the union served two months' notice on the bank regarding the termination of the said settlement. Thereafter, a joint discussion is stated to have been held on the 22nd of May, 1967, before the assistant labour commissioner (Central), about the enhancement in the conveyance allowance and on an assurance by the branch manager of the bank at Delhi to refer the matter to the head office of the bank, the union withdrew the case from the conciliation, but nothing came out. The case was again referred to conciliation and as the conciliation ended in failure, the reference was made by the Government regarding the justification of the demands for the payment of enhanced conveyance allowance to the clearing clerk. One, Shri Gian Prakash Gupta was appointed by the bank on the 7th of November, 1963, as a clerk-cum-godown keeper. The branch office of the bank in which Shri Gian Prakash Gupta was employed is situated in Chandni Chowk and it is stated in the statement of claim filed on his behalf by the union that Shri Gupta has been attending the bank's godown situated at Kashmeri Gate, Delhi, for effecting deliveries and storages of stock pledged with it but he has not been paid any conveyance allowance. It was further alleged that prior to his appointment, the persons, who used to perform the duties which Shri Gupta started performing

on his appointment, were paid conveyance charges by the bank at the rate of Rs. 1.50 per day. It was added that after several representations by Shri Gupta, the bank sanctioned only Rs. 10 per month as conveyance allowance. The union feels dissatisfied with it and avers that the conveyance allowance sanctioned to Shri Gupta is inadequate because the distance between the branch of the bank and the godown is about one and a half mile. In this connection, the union approached the assistant labour commissioner, Government of India, in the Ministry of Labour, Employment and Rehabilitation for the payment of actual conveyance charges from the date Shri Gupta was appointed as a clerk-cum-godown keeper, but the bank did not accede to his request and hence this reference.

3. The union, in the statement of claim, places its reliance on the provisions of Paragraph 548 of the Sastry Award as modified by Paragraph 6.39 of the Desai Award and states that there is every justification in view of these provisions to give allowance to the clearing clerk and enhanced allowance to the godown-keeper of the bank.

4. The bank in its written statement admitted the terms of the settlement, dated 3rd March, 1958 and its termination by the union by giving two months' notice, dated 5th February, 1966. It was added that the clearing clerk was being paid conveyance allowance in pursuance of that settlement which was, however, stopped as a result of its termination. It was further pleaded that as a matter of fact, the clearing clerk did not actually spend any amount nor did he produce any receipts for any amounts spent by him and the demand was stated to be basically unreasonable and illegitimate as the distance between the bank and the clearing house was hardly half a mile. According to the bank, the clearing clerk could walk down without any difficulty. The appointment of Shri Gian Prakash Gupta as a clerk-cum-godown keeper was admitted with effect from the 7th of November, 1963 and it was added that the grant of Rs. 10 as conveyance allowance to him for visiting the godown daily was adequate and was accepted unconditionally by Shri Gupta. A rejoinder was also filed by the union on behalf of the workmen in which the pleas raised by the bank were controverted.

5. I shall take the case of the clearing clerk first and on the basis of the evidence, oral and documentary, adduced before me, see if the demand of the union for the grant of enhanced conveyance allowance to the clearing clerk is justified. I shall, however, before doing so, refer to Paragraph 548 of the Sastry Award in which the payment of conveyance allowance to the bank employees was considered. Towards the conclusion of that para., it was observed that where an employee incurred expenditure in the performance of bank's work, he should be re-imbursed to the extent that the expenditure was fairly and legitimately incurred. In the Desai Award the same position was reiterated in Paragraph 6.39. So, it is for this Tribunal to determine in the light of the said awards if the clearing clerk should be re-imbursed to the extent that the expenditure is fairly and legitimately incurred.

6. Shri Guru Dutt WWJ joined the bank on the 1st of February, 1959 and started going to the clearing house for the last six or seven years. The bank paid him Rs. 6 per month, in view of the settlement above referred to, as conveyance allowance upto the 4th of September, 1966. Thereafter, he states that he submitted his bills but the payment of the actual expenditure incurred was not made to him. In his absence whenever he proceeded on leave, his successor got Rs. 00.80 paise per day for going to the clearing house. According to him, the employees of the other banks also got the actual conveyance charges incurred by them for going to the clearing house. He has produced bills Exts. W/I to W/109 in connection with the expenditure which he states that he incurred. According to him, he went by cycle rickshaw and the rickshaw driver charged 50 paise from him while going to the clearing house and 40 paise while returning from there. On foot, he admits, that the distance between the bank and the clearing house is 2/3 furlongs. But if one has to go on a cycle rickshaw then on account of the rule of one way traffic, the distance would be much more. Shri Ishwar Nath WW4 is the cashier with the bank. He states that when he used to go to the clearing house in the absence of the permanent incumbent, the bank paid him the actual charges of 80 paise per day for going and coming from the clearing house. Copies of the vouchers indicating the payment made to him are Exts. W/139 to W/161. From his statement, it is crystal clear that in place of Shri Guru Dutt when the latter happened to be on leave, another employee, who was sent was paid 80 paise per day for a trip to the clearing house. There is, therefore, no justification as to why Shri Guru Dutt should have been refused this benefit when this was paid to a co-employee of him. Shri Gurbachan Lal is the secretary of the Delhi branch of the union and he refers to the settlement,

its termination and the union's representations to the general manager. Shri Surinder Lal WW6 is the clerk in the Chandni Chowk Branch of the Allahabad Bank. He states that when he goes to attend the clearing house in the office of the State Bank of India, Chandni Chowk, which is half a mile from his branch, he gets Rs. 1.15 paise per trip. It is true that his bank is "A" Class Bank but no distinction is made in the relevant Paras referred to above of the Sastry and the Desai Awards regarding the grant of this allowance to the employees of A, B or C class banks. Shri S. P. Bhagat, a clerk in the Chandni Chowk Branch of the New Bank of India, which is also a "C" class bank, states that the clearing clerk gets Rs. 40 per month in his bank for attending the clearing house and in the absence of the permanent incumbent his successor gets Rs. 2 per day.

7. On behalf of the bank, the only witness who has been produced is Shri Sudesh Mohan Verma, manager of its Delhi branch. He admits that the clearing house is about one and a half mile from his branch and the clearing clerk Shri Guru Dutt leaves at about 11 A.M. every day and returns at about 12.30 P.M. He also admits that when another clerk goes to the clearing house in the absence of Shri Guru Dutt, he is paid the actual conveyance charges. So, according to the admission of the bank's branch manager, a discrimination is made between Shri Guru Dutt, the clearing clerk and the other clerk by paying the latter and denying the said benefit to the former.

8. From the evidence discussed above, it stands established that the clearing house is about one and a half mile from the branch of the bank by travelling in a cycle rickshaw, that the clearing clerk on all working days has to go in that house for clearing the cheques, that the conveyance charges are paid to the employees of the other banks situated in the same area and that when an employee of the bank does the same job in the absence of the permanent incumbent, he is paid the actual expenditure incurred by him. Therefore, there seems to be full justification for this demand of the union on the basis of which this reference was made. This argument of Shri Verma that as the distance is about 3 furlongs, the clearing clerk can walk is entirely without any substance. A clearing clerk does other jobs besides going to the clearing house and if he has to perform some journey from his permanent place of business then he should be re-imbursed for the actual expenditure incurred by him particularly when another employee of the same bank get the benefit in the absence of the permanent incumbent. I shall, therefore, allow this demand of the clearing clerk that he should be re-imbursed for the expenditure which he incurs while proceeding to and returning from the clearing house.

9. In the statement of claim, it is mentioned that while going and coming, a clerk has to incur 90 paise on a cycle rickshaw though if he goes by scooter, the expenses are much more. As the distance, if one goes on foot, is about half a mile, I think that the bank which a "C" Class should not be burdened with the higher charges of scooter rickshaw but the concerned workmen can easily go and come on a cycle rickshaw involving charges of 90 paise per day, if he actually incurs. I shall, therefore, allow the clearing clerk of the bank the said amount per trip with the condition that the payment should be made only if he actually incurs this expenditure. The bills submitted by the present incumbent, Shri Guru Dutt Exts, W/1 to W/110 should be honoured by the bank and the amount mentioned therein should be paid to him.

10. Now I shall take the demand of the other workman, Shri Gian Prakash Gupta, clerk-cum-godown keeper. It is admitted that the godown-keeper has to come first to the branch of the bank in Chandni Chowk at 10 O'clock in the morning and after collecting the keys of the godown has to proceed to the godown situated in Kashmeri Gate. After closing the godown in the evening he has to leave the keys in the bank. This godown was opened in 1963 and the bank started paying Rs. 10 as conveyance allowance to the incumbent 2 or 3 months after he started going there. Shri Gian Prakash remained on duty upto 4th of November, 1968, when the godown was closed and it is admitted that upto that month, he has been paid Rs. 10 per month as conveyance allowance. Shri Verma, the bank manager admitted that when the godown-keeper happened to be on leave, a clerk was sent to the godown in his absence to attend to his work there and he submitted his bills for travelling in a scooter which were honoured. The manager himself states that when he attends the godown, he claims scooter charges and he never goes on foot to the godown. The distance, according to Shri Verma between the branch of the bank and the godown is one and a half mile but if one goes on foot by crossing the bridge, the distance is half a mile. Shri Gian Prakash Gupta, the concerned workman also added that Shri Hari Ram who did this job before his employment was paid Rs. 1.50 per day as scooter

charges. To the same effect is the statement of Shri Ram Chand WW3, a clerk in the bank. He states that he used to go to the godown in Kashmeri Gate in the absence of the permanent godown-keeper and used to get conveyance charges at the rate of Rs. 1.50 paise per day. Certified copies of the vouchers on the basis of which payments were made to him are Exts. W/111 to W/128. These documents fully support the contention of the concerned workman that the conveyance charges for visiting the godown were paid to the persons who performed his duties in his absence, but were denied to him. When Shri Verma was asked during arguments as to why the bank refused payment of Rs. 1.50 per working day to Shri Gian Prakash Gupta when it was being made to Shri Ram Chand who worked in his place and even to him (Shri Verma), when the latter visited the godown, he did not furnish any satisfactory reply. Shri Gian Prakash Gupta has not placed on the file any vouchers indicating that he did spend Rs. 1.50 paise whenever he proceeded to the godown premises. There was full justification for the grant of this allowance to the godown-keeper because first he had to come to the branch, then proceed to the place of his duty in the godown and again had to return to the branch in the evening for depositing the keys of the godown. He had not to travel direct from the place of his residence to the place of his duty but had to go first to the bank and then to the godown where he actually worked and again to the bank in the evening for depositing the keys, in recognition of this the bank only paid him Rs. 10 per month as conveyance allowance which I feel is inadequate. It is true that when the persons who worked for him whenever he proceeded on leave and also the branch manager who visited the godown occasionally, charged the expenses by travelling in a scooter rickshaw. There is, however, no evidence on record before me that Shri Gian Prakash Gupta always travelled in a scooter rickshaw because there are no bills which he submitted to the bank. At the same time I feel that the allowance of Rs. 10 is inadequate. He must be visiting the godown for about 24 or 25 days in a month excluding holidays and must be spending even by cycle rickshaw at least Re. 1 per day. I shall, therefore, feel that the ends of justice will be fully met if his conveyance allowance is enhanced from Rs. 10 per month to Rs. 25 per month. He will be entitled to this allowance from the date he joined as godown-keeper upto the 4th of November, 1968, when the godown was closed minus whatever has been already paid to him.

11. As a result of my findings above, the clearing clerk is entitled to the conveyance charges and the godown-keeper is also entitled to receive the enhanced conveyance allowance for the periods and to the extent indicated above. The award is made accordingly.

By Order No. 25/47/68-LR-III, dated April 17, 1969, the Government of India, in the Ministry of Labour, Employment and Rehabilitation (Department of Labour and Employment), referred the following industrial dispute between the employers in relation to Messrs Ruby General Insurance Company Limited, Calcutta and their workmen, to this Tribunal, for adjudication, namely:—

“Whether the action of the management of Messrs Ruby General Insurance Company Limited, 8, India Exchange Place, Calcutta-1, is justified in terminating the services of Shri R. C. Maheshwari with effect from the 1st September, 1968? If not, to what relief is the workman entitled?”

2. I need not decide the dispute myself. After peremptory hearing started, Mr. B. Sen, Counsel for the employer company and Mr. Bhupendra Chandra Das, representing the workmen, filed a joint petition of compromise settling the dispute. In my opinion, the compromise is lawful and completely settles the dispute. I, therefore, make an award in terms contained in the petition of compromise. Let the petition of compromise form part of this award.

1. This Scheme may be called the Madras Unregistered Dock Workers (Regulation of Employment) Amendment Scheme, 1969.

2. In the Madras Unregistered Dock Workers (Regulation of Employment) Scheme, 1957, clause 6-B shall be re-numbered as sub-clause (1) thereof and after

sub-clause (1) so renumbered, the following sub-clauses shall be inserted, namely:—

- “(2) (a) The Administrative Body shall keep separate accounts of the receipts of levy and expenses including the payments like disappointment money, attendance allowance, guaranteed minimum wages, Provident Fund, or Gratuity in respect of each Pool of workers covered by clause 9-A of the Scheme. For the purposes of the accounting the receipts and expenditure, each of the said three pools shall be treated as a separate and distinct unit namely coal, ore and chipping and painting. The receipts from one unit shall not be utilised to meet the expenses of any other unit except with the prior permission and sanction in writing of the Madras Dock Labour Board.
- (b) The Administrative Body shall allocate the overhead expenses incurred by it for administering the Scheme to each of the unit, separately in proportion to the receipts from each of the unit.
- (3) The Administrative Body shall arrange to see that the amounts expended from the receipt of one unit for any other unit and remaining unpaid on the date when the aforesaid clause is brought into operation is immediately recovered from the concerned listed employer or employers, and failure on the part of the concerned listed employer to pay such amounts will attract the provisions of clause 11-A of the Scheme without prejudice to any other mode of recovery of the said amounts.”

#### **AWARD**

By Order No. 28/36/69-LWI-III, dated July 3, 1969, the Government of India, in the Ministry of Labour, Employment and Rehabilitation Department of Labour and Employment), referred the following industrial dispute between the employers in relation to Messrs Baney Madhub Mookherjee and Company, Calcutta and their workmen, to this Tribunal for adjudication, namely:—

“(1) Whether the action of the management of Messrs Baney Madhub Mookherjee and Company, Calcutta in terminating the services of the

following three monthly tally clerks, with effect from 31st March, 1969, was justified:—

- (1) Sri A. C. Mookherjee,
- (2) Sri T. P. Choudhury, and
- (3) Sri N. Choudhury.

(ii) If not, to what relief are the three workmen entitled?"

2. The case made by the workmen, represented by the Shipping Employees' Union, in their written statement, is:—

- "3. That amongst the Tally clerks maintained by the Firm for efficient performance of dock work Sarvasree A. C. Mookherjee, T. P. Choudhury and N. Chowdhury were appointed as permanent Tally Clerks by the Company on and from 1st May 1955.
4. That the abovenamed Tally Clerks were employed by the Company on monthly employment as per provisions of the D.W. (R. of E.) scheme, 1951 and by virtue of registration, the workers were deemed and purported to have entered into an implied agreement with the management, dated 13th May 1955, in regard to their service condition (copy enclosed as annexure—A).
5. That the company by their notice, dated 27th February, 1969 illegally, arbitrarily and unjustifiably terminated the services of the above named three workmen under dispute with effect from 1st March 1969 by a patent and pretended plea of ordinary discharge (copy enclosed as Annexure B) without any charges, allegation, explanations and scope of self-defence in violation of the principles of natural justice."

The material portion of Annexure A, referred to in paragraph 4 above, is set out below:—

"You are hereby informed that you are appointed as a monthly Tally Clerk on a salary of Rs. 155 per month. This appointment is initially for a probationary period after which, if you work is satisfactory, you will be confirmed in the appointment. In accepting this appointment you agree to abide any terms and conditions of service which may be drawn up by the Association in consultation if necessary, with the Calcutta Dock Labour Board. In accepting this appointment you agree that certain types of clerking work on vessels, especially tallying, are optional and at owner/stevedores' option.

You will be appointed as a monthly Tally Clerk with effect from 1st May, 1955.

Please sign and return the attached slip agreeing to the terms and conditions given above."

(Sd.) Employers.

To M/s. Baney Madhub Mookherjee & Co.,

I agree to the terms and conditions laid out in your letter, dated 13th May, 1955."

(Sd.) Workman.

The material portion of Annexure B, referred to in paragraph 5 quoted above, is set out hereinafter:

"He is hereby informed that his service as monthly Tally Clerk will be considered as terminated with effect from 1st March, 1969 by way of ordinary discharge.

This notice is to be treated as 30 (thirty) days' notice required to be served for such termination."

The notice is dated February 27, 1969.

3. The employers in their written statement did not dispute the allegations in paragraph 3 of the written statement of the workmen. I have, therefore, to proceed on the basis that the employees, whose services were terminated, were

permanent employees. In paragraph 5 of the written statement of the employers, it was pleaded:

"5. That with reference to the allegations made in paragraph 7 of the written statement of the workmen, the employer denies the same. It is submitted that the termination of service on notice of one month is consistent with terms and conditions of service which they accepted at the time of their appointment, and there is no violation of Standing Orders applicable to them."

In paragraph 8 of the written statement, the employers further pleaded:

"8. It is submitted that this employer is a member of the Master Stevedores Association and the said Association has framed Standing Orders which have been duly certified under the Industrial Employment Standing Orders Act under which the member Stevedores and workman who are directly in service of the Stevedores including this employer and also workmen on monthly service including the said three Tally Clerks are covered and are bound by the same. The said three Tally Clerks not having been registered in the Reserve Pool of the Calcutta Dock Labour Board are not governed by the Standing Orders of the Calcutta Dock Labour Board referred to in the said paragraph."

In paragraph 9 of the written statement, it is also pleaded by the employers:

"9. That with regard to the statements made in paragraph 11 of the written statement of the workmen, this employer has got no knowledge of the representations, dated 11th December 1968 and 18th December 1969 to the Chairman, Calcutta Dock Labour Board, and denies having received copies of the same. It is submitted that the three Tally Clerks never approached this employer for forwarding them to the Calcutta Dock Labour Board for registration in the reserve pool."

4. In the background of these pleadings, I have to determine the case. Neither party led any evidence either oral or documentary.

5. Mr. H. L. Roy, appearing for the Trade Union, submitted a very short point for my consideration. He submitted that the termination of employees was in violation of clause 12 of Standing Orders governing the employment of monthly workers by Stevedores Registered under the Calcutta Dock Labour Board, marked Ext. X by the Court. The said clause reads:

"12. Termination of employment.—If the services of a monthly worker are terminated by the employers he shall be entitled to registration in the Reserve Pool in a similar category and his previous service will be reckoned for all benefits and the employer shall transfer to the Board all benefits that have accrued to the worker in respect of previous service as if such service had not been terminated, unless the Board decides that for some special reason the worker is unfit to be re-employed as a dock worker.

The employer shall in particular contribute to the Board such amount as may be appropriate towards the worker's leave that may be due to him on the date of such transfer.

The services of monthly workers may be terminated under the following conditions:

1. One month's notice by either side;
2. Payment of one month's wages in lieu of notice by the employer;
3. Mutual consent i.e. without one month's notice on either side or without payment of one month's wages."

Mr. Khitish Ghose, appearing for the employers, frankly confessed that he was not in a position to contest the proposition argued by Mr. H. L. Roy. That makes my task easier. Otherwise, I would have to consider whether the company could at all discharge a permanent employer in the summary fashion as is done in this case, without blameworthiness. Clause 12 certainly empowers the employer company to discharge permanent workmen by notice and Mr. Roy, in his wisdom, depended upon clause 12 alone as the point in support of his case. It does not appear that even one month's notice was given to the discharged workmen. The notice was dated February 27, 1969 and the discharge was made effective from March 1, 1969. It does not also appear that one month's wages were paid in lieu of notice. Mr. Roy for the workmen submitted to the allegation that the discharge was in accordance with the service conditions, as pleaded in paragraph 5 of the

employer's written statement. In the absence of evidence to the contrary I cannot go behind that and all the more so because the statement was not even disputed.

6. I have now elaborately to deal with the argument advanced by Mr. Roy. He submitted that Calcutta Dock Workers (Regulation of Employment) Scheme, 1956 is a statutory scheme framed under Section 4 of the Dock Workers (Regulation of Employment) Act, 1948. Clause 18(2)(iv) provides:

"18(2)(iv). The Board may, subject to such conditions as it may specify, permit in its discretion registration of a permanent Tally Clerk in the Reserve Pool, if a written request therefor is received from him."

He further submitted that clause 12 of the Standing Order was in accordance with clause 18(2)(iv) of the Scheme, 1956 and the workmen were entitled to registration in the reserve pool. The employers only discharged them from service but did not cause their registration. That makes the entire order bad.

7. I am not inclined to uphold the argument in the form made by Mr. Roy. The order of discharge is justified, in the circumstances of this case. The order has not, however, been followed up. Therefore, the remedy to which the workmen are now entitled is that the employers should recommend the registration of the discharged workmen in the reserve pool under clause 18(2)(iv) of the Scheme of 1956 and the Dock Labour Board should consider the recommendations on merits and register the workmen in the reserve pool at its discretion. Similar liberty to approach the Board is reserved also to the discharged workmen. The employer should also transfer to the Board all benefits accrued to the workmen in respect of previous service.

8. In the view that I take, I hold that the order of termination of service of Sarvasree A. C. Mookherjee, T. P. Choudhury and N. Choudhury with effect from 31st March, 1969 is not unjustified but the order should be in accordance with Clause 12 of the Standing Order read with Clause 18(2)(iv) of the Calcutta Dock Workers (Regulation of Employment) Scheme, 1956 and written request for registration of the concerned workmen should be made both by the employers and by the concerned workmen. The employers shall also transfer to the Dock Labour Board all the benefits accrued to the workmen in terms of clause 12 of the Standing Order (Ext. X). I hope the Board will consider the written request on its merits.

This is my award.

## PRESENT:—

Shri B. N. Banerjee, Presiding Officer.

## APPEARANCES:

On behalf of Employers.—Sri Jitendra Gorsia, Officer of the firm.

On behalf of Workmen—Sri H. L. Roy, Advocate.

STATE: West Bengal

INDUSTRY: Dock

## AWARD

This reference is taken up out of its turn at the request of both the employers and the employees. Parties did not even file their written statements in the Reference. To-day both the parties approached the Tribunal with a joint petition of compromise praying for an award in terms of the compromise.

2. It is now necessary for me to recount the nature of the dispute that was referred to this Tribunal.

3. By Order No. 28/13/68-LR-III, dated June 4, 1969, the Government of India, in the Ministry of Labour, Employment and Rehabilitation (Department of Labour and Employment), referred the following industrial dispute between the employers in relation to the management of K. P. Gorosia Stevedores, Ship Chandlers and Clearing Agent, Calcutta and their workmen, to this Tribunal, for adjudication, namely:

"Whether the following demands of the Delivery Clerks working under M/s. Keshavlal P. Gorosia, Stevedores, 24, Strand Road, Calcutta are justified?

- (i) Permanency in employment,
- (ii) Leave—Casual and Privilege, and
- (iii) Holidays—Weekly and festival.

If so, to what extent and from which date?"

4. The above dispute is now stated to have been settled under the compromise filed before this Tribunal. Now, that the dispute has been settled, on terms, I make an award in terms of the settlement. Let the petition of compromise form part of this award.

New Delhi, the 22nd October 1969

**S.O. 4500.**—In pursuance of the provisions of sub-rule (2) of Rule 3 of the Indian Standards Institution (Certification Marks) Rules, 1955, the Indian Standards Institution hereby notified that the Indian Standards, particulars of which are given in the schedule hereto annexed have been established during the quarter ending 30 September 1969.

## THE SCHEDULE

Sl. No.	No. of Indian Standard	Title of Indian Standard
(1)	(2)	(3)
1	IS: 259-1969	Specification for ammonium alum ( <i>first revision</i> )
2	IS: 260-1969	Specification for aluminium sulphate, non-ferric ( <i>first revision</i> )
3	IS: 428-1969	Specification for distemper, oil emulsion, colour as required ( <i>first revision</i> )
4	IS: 707-1968	Glossary of terms applicable to timber and timber products ( <i>first revision</i> )
5	IS: 722 (Part II/Sec 2)—1969	Specification for ac electricity meters Part II Single-phase 2-wire whole-current watt-hour meters Section 2 Meters with basic current ratings
6	IS: 722 (Part VII)—1969	Specification for ac electricity meters Part VII Volt-ampere hour meters for full power factor range

(1)	(2)	(3)
7	IS: 1027-1968	Specification for paper-insulated cables for use in mines
8	IS: 1060 (Part III)— 1969	Methods of sampling and test for paper and allied products Part III
9	IS: 1130-1969	Specification for marble (blocks, slabs and tiles)
10	IS: 1176-1969	Dimensions for acrial rods and slabs made of ferromagnetic materials
11	IS: 1177-1969	Specification for oil of vetiver roots (cultivated and <i>KHUS</i> ) ( <i>first revision</i> )
12	IS: 1200 (Part XVII)— 1969	Method of measurement of building and civil engineering work Part XVII Roadwork including airfield pavements ( <i>second revision</i> )
13	IS: 1317-1969	Specification for edible tapioca chips ( <i>first revision</i> )
14	IS: 1318-1969	Specification for edible tapioca flour ( <i>first revision</i> )
15	IS: 1319-1969	Specification for edible tapioca starch ( <i>first revision</i> )
16	IS: 1443 (P: 15)— 1968	Method of test for copper strip corrosion ( <i>first revision</i> )
17	IS: 1489-1967	Specification for portland-pozzolana cement ( <i>first revision</i> )
18	IS: 1656-1969	Specification for processed cereals weaning foods ( <i>first revision</i> )
19	IS: 1915-1969	General and safety requirements for electric lighting fittings ( <i>first revision</i> )
20	IS: 2032 (Part IX)— 1969	Graphical symbols used in electrotechnology Part IX Electron tubes and valves (other than microwave tubes and valves)
21	IS: 2050-1967	Glossary of footwear terms
22	IS: 2148-1968	Specification for flameproof enclosures of electrical apparatus ( <i>first revision</i> )
23	IS: 2255-1969	Specification for mild steel wire rod for the manufacture of machine screws (by cold-heading process) ( <i>first revision</i> )
24	IS: 2319-1969	Specification for serge ( <i>first revision</i> )
25	IS: 2337-1969	Methods for determination of weight of jute fabrics ( <i>first revision</i> )
26	IS: 2472-1969	Specification for protective gaiters
27	IS: 2535-1969	Specification for basic rack and modules of cylindrical gears for general engineering and heavy engineering ( <i>first revision</i> )
28	IS: 2597 (Part III)— 1969	Code of practice for use of electron valves Part III Transmitting and industrial valves
29	IS: 2720 (Part XIV)— 1968	Methods of test for soils Part XIV Determination of density index (relative density) of cohesionless soils
30	IS: 2753-1969	Specification for mild steel point hooks for use with wire rope thimbles.
31	IS: 2759-1969	Specification for higher tensile steel point hooks for use with wire rope thimbles
32	IS: 3025-1968	Specification for tin salts for electroplating ( <i>first revision</i> )
33	IS: 3414-1968	Code of practice for design and installation of joints in buildings
34	IS: 3646 (Part III)— 1968	Code of practice for interior illumination Part III Calculation of coefficients of utilization by the BZ method
35	IS: 3315-1969	Specification for point hooks with shank for general engineering purposes
36	IS: 3904-1966	Specification for thioneton concentrates
37	IS: 3905 (Part II)— 1969	Specification for continuous sprayer, knapsack type Part II Diaphragm type
38	IS: 3972-1968	Methods of test for itreous enamelware
39	IS: 4247 (Part II)— 1968	Code of practice for structural design of surface hydel power stations Part II Superstructure
40	IS: 4410 (Part V)— 1968	Glossary of terms relating to river valley projects Part V Canals
41	IS: 4410 (Part VIII)— 1968	Glossary of terms relating to river-valley projects Part VIII Dams and dam sections

(1)	(2)	(3)
42	IS: 4536 (Part II)—1959	Specification for composite bottom stainless steel cooking utensils Part II 3-ply construction
43	IS: 4560-1968	Code of safety for nitric acid
44	IS: 4573-1958	Code of practice for design of mobile cranes (all types)
45	IS: 4595-1959	General requirements for non-sparking tools
46	IS: 4610-1953	Specification for glass tubes for general purpose and reference thermometers
47	IS: 4722-1953	Specification for rotating electrical machines
48	IS: 4748-1958	Methods for estimating average grain size of metals
49	IS: 4809-1958	Specification for cotton-knitted string vests
50	IS: 4855-1958	Specification for bright steel bars for machining
51	IS: 4877-1958	Guide for preparation of estimate for river valley projects
52	IS: 4881-1963	Code of practice for design of shipboard mechanical ventilation trunking
53	IS: 4890-1968	Methods for measurement of suspended sediment in open channels
54	IS: 4897-1953	Deviation for untoleranced dimensions and weight of steel castings
55	IS: 4905-1958	Code of safety for radiochemical laboratory
56	IS: 4909-1958	Specification for card and gill pins for use in jute industry
57	IS: 4918-1958	Specification for hard metal wire drawing dies
58	IS: 4925-1958	Specification for ready-mixed concrete
59	IS: 4935-1958	Specification for synthetic syrups
60	IS: 4945-1958	Method for evaluation of strength and shade of naphthol
61	IS: 4934-1958	Specification for plain-knitted cotton vests
62	IS: 4956 (Part I)—1968	Specification for gauges for serrations Part I for gauging external serrations
63	IS: 4955 (Part II)—1969	Specification for gauges for serrations Part II for gauging internal serrations
64	IS: 4969-1968	Method of test for determining flexural strength of precast cement concrete slabs for canal lining
65	IS: 4971-1968	Recommendations for selection of industrial floor finishes
66	IS: 4972-1958	Specification for resistance spot-welding electrodes
67	IS: 4933-1958	Code of practice for design and construction of nailed laminated timber beams
68	IS: 4992-1968	Specification for door handles for mortice locks (vertical type)
69	IS: 4995-1968	Criteria for design of reinforced concrete bins (silos) for bulk food grain storage
70	IS: 4997-1968	Criteria for design of hydraulic jump type stilling basins with horizontal and sloping apron
71	IS: 5000 (OB1)-1969	Dimensions of semiconductor devices base outline OB1
72	IS: 5000 (OB2)-1969	Dimensions of semiconductor devices base outline OB2
73	IS: 5000 (OB3)-1969	Dimensions of semiconductor devices base outline OB3
74	IS: 5000 (OB4)-1969	Dimensions of semiconductor devices base outline OB4
75	IS: 5000 (OB5)-1969	Dimensions of semiconductor devices base outline OB5
76	IS: 5000 (OB6)-1969	Dimensions of semiconductor devices base outline OB6
77	IS: 5000 (OC1)-1969	Dimensions of semiconductor devices case outline OC1
78	IS: 5000 (OC3)-1969	Dimensions of semiconductor devices case outline OC3
79	IS: 5000 (OD1)-1969	Dimensions of semiconductor devices device outline OD1
80	IS: 5000 (OD2)-1969	Dimensions of semiconductor devices device outline OD2
81	IS: 5000 (OD4)-1969	Dimensions of semiconductor devices device outline OD4
82	IS: 5000 (OD5)-1969	Dimensions of semiconductor devices device outline OD5
83	IS: 5000 (OD6)-1969	Dimensions of semiconductor devices device outline OD6
84	IS: 5000 (OD8)-1969	Dimensions of semiconductor devices device outline OD8
85	IS: 5001-1969	Guide for preparation of drawings of semiconductor devices.
86	IS: 5017-1968	Specification for carvers, dental, No. car 1/2, 3/4 and 5/6.
87	IS: 5022-1969	Specification for sterilizer, instruments (table model).
88	IS: 5023-1969	Specification for dental unit.
89	IS: 5026 (Part I)—1969	Specification for radio frequency cables. Part I general requirements and tests.
90	IS: 5027-1969	Method of measurement of current noise generated in fixed resistors
91	IS: 5028-1969	Glossary of mining terms (planning and surveying).
92	IS: 5029-1969	Specification for bedsteads, hospital, general purposes.
93	IS: 5032-1969	Recommended sizes of cupola furnace for foundry.

(1)	(2)	(3)
92 IS: 5033-1969		Specification for telescopic aerals for portable radio receivers.
93 IS: 5034-1968		Specification for chromed goatskin in wet-blue condition.
94 IS: 5035-1969		Specification for sterilizers, bowl and utensil (pedal type).
95 IS: 5036-1969		Specification for filter presses, recessed plate type, and plate and frame type.
96 IS: 5057-1969		Specification for basic rack and modules of straight bevel gears for general engineering and heavy engineering.
97 IS: 5038-1969		Specification for ice cube trays for domestic refrigerators.
98 IS: 5039-1969		Specification for distribution pillars for voltages not exceeding 1000 volts.
99 IS: 5040-1969		General requirements for fork lift trucks.
100 IS: 5041-1969		Specification for shoe, boot and stationery cyelets.
101 IS: 5042-1969		Specification for 1-aminoanthraquinone.
102 IS: 5043-1969		Specification for 2-aminoanthraquinone.
103 IS: 5044-1969		Specification for benzanthrone.
104 IS: 5045-1969		Specification for metanilic acid, technical.
105 IS: 5046-1968		Specification for letterpress ink, black, book-printing.
106 IS: 5047 (Part I)-1969		Glossary of terms for aluminium and aluminium alloys. Part I unwrought and wrought metals.
107 IS: 5048-1969		Specification for equipment fasteners (web equipment pattern).
108 IS: 5049-1969		Specification for gauge for wire diameters.
109 IS: 5050-1968		Code of practice fort design, construction and maintenance of relief wells.
110 IS: 5051 (Part I)-1969		Specification for non-sealed electro magnetic relays for electronic and telecommunication equipment Part I general requirements and tests Temper designations of aluminium and its alloys.
111 IS: 5052-1969		Specification for radio frequency connectors.
112 IS: 5054 (Part I)-1969		Part I general requirements and tests.
113 IS: 5055-1969		Specification for lecithin, food grade.
114 IS: 5056-1969		Common names for coal tar food colours.
115 IS: 5057-1969		Specification for potassium nitrite, food grade.
116 IS: 5058-1969		Specification for sodium citrate, food grade.
117 IS: 5059-1969		Code for hygienic conditions for large scale biscuit manufacturing units and bakery units.
118 IS: 5060-1969		Glossary of terms used in brushware industry.
119 IS: 5061-1968		Guide for treatment of effluents of pulp, paper and board industries
120 IS: 5062 (Part I)-1969.		Methods of test for brown coals and lignites.
		Part I determination of moisture content by the direct volumetric method.
121 IS: 5062 (Part II)-1969		Methods of test for brown coals and lignites. Part II determination of ASH
122 IS: 5062 (Part III)-1969		Methods of test for brown coals and lignites. Part III determination of the yields of tar, water, gas and coke by low temperature distillation.
123 IS: 5062 (Part IV)-1969		Methods of test for brown coals and lignites. Part IV determination of the yield of benzene-soluble extract.
124 IS: 5064-1969		Specification for tapioca spent pulp as livestock feed.
125 IS: 5065-1969		Specification for meat meal and meat-cum-bone meal as livestock feed.
126 IS: 5066-1969		Specification for glass pliers.
127 IS: 5067-1969		Specification for fencing pliers.
128 IS: 5068-1969		Specification for grab hook.
129 IS: 5069-1969		Glossary of terms relating to methods of mechanical testing of metals
130 IS: 5070-1969		Method for beam unnotched impact test grey cast iron.
131 IS: 5071-1969		Method for flattening test for copper and copper alloy tubes of circular section.
132 IS: 5072-1969		Method of rockwell superficial hardness test (N and T scales) for steel.

(1)	(2)	(3)
133	S: 5073-1969	Method for verification of rockwell superficial (N and T scales) hardness testing machines.
134	IS: 5074-1969	Method of axial load fatigue testing of steel.
135	IS: 5075-1969	Method of rotating bar bending fatigue testing of steel.
136	IS: 5076-1969	Method for calibration of standardized blocks to be used for rockwell superficial N and T scale hardness testing machines.
137	IS: 5077-1969	Specification for decorative lighting outfits.
138	IS: 5078-1969	Specification for brushes, typewriter.
139	IS: 5079-1969	Specification for rubber valve-tubing for cycle tube valves.
140	IS: 5080-1969	Specification for brushes, nail-cleaning.
141	IS: 5081-1969	Specification for glass tubes for fluorescent lamps.
142	IS: 5083-1969	Specification for knifing stopper.
143	IS: 5084-1969	Specification for nylon socks.
144	IS: 5085-1969	Specification for berets, knitted, one-piece.
145	IS: 5087-1969	Specification for wire stripping pliers.
146	IS: 5088 (Part I)- 1969	Specification for textiles for ammunition. Part I Fabrics used in the manufacture of propellant charges and other purposes.
147	IS: 5088 (Part II)- 1969	Specification for textiles for ammunition. Part II Cotton drill, live green proofed, used in the manufacture of bandoliers.
148	IS: 5098-1969	Specification for cross-cut and rip saws.
149	IS: 5110-1969	Specification for corneal loupe.
150	IS: 5112-1969	General requirements and testing of ac cargo winches (for shipboard use).
151	IS: 5113-1969	General requirements and testing of ac mooring winches (for ship-board use).
152	IS: 5114-1969	Specification for reflectorized signs for mines.
153	IS: 5118-1969	Specification for constructional details of ventilation trunking for shipboard use.
154	IS: 5119 (Part I)- 1968	Code of practice for laying and fixing of sloped roof covering. Part I Slating
155	IS: 5121-1969	Safety code for piling and other deep foundations.
156	IS: 5122-1969	Specification for tyre levers.
157	IS: 5123-1969	Specification for tenon and dovetail saws.
158	IS: 5124-1969	Code of practice for installation and maintenance of ac induction motor starters (voltage not exceeding 1000 V).
159	IS: 5125-1969	Method of test for rotary shaft oil seal units.
160	IS: 5126 (Part I)- 1969.	Glossary of general terms for sensory evaluation of foods.
161	IS: 5126 (Part II)- 1969.	Part I Methodology. Glossary of general terms for sensory evaluation of foods. Part II Quality characteristics.
162	IS: 5127-1969	Specification for Babul bark.
163	IS: 5128-1969	Specification for avaram bark.
164	IS: 5129-1969	Specification for rotary shaft oil seal units (related dimensions).
165	IS: 5130-1969	Specification for drums fitted to cargo and mooring winches.
166	IS: 5153 (Part I)- 1969	Specification for boxes for enclosure of electrical accessories. Part I Steel and cast iron boxes.
167	IS: 5134-1969	Specification for bitumen impregnated paper and board.
168	IS: 5135-1969	Specification for hand rotary duster, belly-mounted type.
169	IS: 5136-1969	Specification for brass serving utensils.
170	IS: 5137-1969	Specification for cement grouting hose of rubber with woven textile reinforcement.
171	IS: 5138-1969	Specification for ear-shaped metal travellers for doubling frame.
172	IS: 5139-1969	Recommended procedure for repair of grey iron castings by oxy-acetylene and manual metal arc welding.
173	5140-1969	Specification for auriscope.
174	IS: 5141-1969	Specification for wooden cones for winding yarn.
175	IS: 5143-1969	Specification for adjustable wooden crutches.
176	IS: 5144-1969	Specification for metal forearm crutches (Canadian pattern).

(1)	(2)	(3)
177	IS : 5145-1969	Specification for walking sticks
178	IS : 5146-1969	Specification for sounding sextant.
179	IS : 5147-1969	Specification for examination lamp with bull's eye condenser (floor model).
180	IS : 5148-1969	Specification for hand magnifiers (circular)-50, 75 and 100 mm.
181	IS : 5150-1969	Specification for rubber tips for crutches and walking sticks.
182	IS : 5151-1969	Method for evaluating the relative efficiency of wetting agents mercerization.
183	IS : 5152-1969	Method for estimation of benzene-methyl alcohol-soluble matter in textile materials.
184	IS : 5153-1969	Specification for proportional compasses-150, 200 and 300 mm.
185	IS : 5154-1969	Specification for lead-acid traction batteries.
186	IS : 5155-1969	Specification for pipettes, Ostwald-Folin type.
187	IS : 5157-1969	Specification for forceps, eye, iris.
188	IS : 5162-1969	Specification for CHHANA.
189	IS : 5163-1969	Specification for sweet cream buttermilk powder.
190	IS : 5165-1969	Specification for interchangeable conical ground-glass joints.
191	IS : 5166-1969	Specification for cement grouting hose of rubber with braided textile reinforcement.
192	IS : 5167-1969	Specification for punched open-jaw spanners for bolts and nuts M1.6 to M5
193	IS : 5172-1969	Specification for balancing bench.
194	IS : 5173-1969	Specification for wall bars.
195	IS : 5174-1969	Specification for landing mats.
196	IS : 5175-1969	Specification for polypropylene lines and ropes for marine purposes.
197	IS : 5177-1969	Specification for jute lines and ropes.
198	IS : 5182- (Part I)- 1969	Methods for measurement of air pollution. Part I Dustfall.
199	IS : 5187-1969	Specification for flush bolts.
200	IS : 5198-1969	Specification for dry-salted seer fish.
201	IS : 5199-1969	Specification for dry-salted shark.
202	IS : 5201-1969	Methods for sampling of abrasive emery grain.

New Delhi, the 31st October 1969

S.O. 4532.—In pursuance of the directive of the Hon'ble High Court of Andhra Pradesh in its judgment dated the 23rd February, 1968 in Writ Petition Nos. 1957 of 68, 1570 of 65, 1363 of 66 and 833, 835, 799, 872, 896 and 1439 of 67, the Central Government, in consultation with the Government of Andhra Pradesh, is pleased to publish in the annexure the provisional common gradation list of the gazetted officers of the Public Works Department of Andhra Pradesh as on the 1st November, 1956, prepared on the basis of the principles set out in the succeeding paragraphs.

I. In the preparation of the provisional gradation list the following provisional decisions of the Central Government have been taken into account—

(1) It has been provisionally decided in accordance with the principles settled in this regard that the posts of officers of the erstwhile Governments of Andhra and Hyderabad who came over to the State of Andhra Pradesh consequent on the reorganisation of States with effect from the 1st November 1956, under the States Reorganisation Act, 1956, in the gazetted cadres of the Public Works Department should be equated to posts in the various categories set out opposite to each group in the following manner :

Category of Posts	Andhra	Hyderabad
Category I	Chief Engineer, Andhra.	Chief Engineer, Hyderabad.
Category II	Superintending Engineer, Andhra.	Superintending Engineer, Hyderabad.
Category III	Executive Engineer, Andhra.	Executive Engineer, Hyderabad. Divisional Engineer, Hyderabad.

NOTE: (a) The Divisional Engineers, Hyderabad should be placed *en bloc* at the end in this category maintaining their *inter se* seniority in the State of Hyderabad.

(b) For the Executive Engineers from Hyderabad the service rendered as Divisional Engineers should not be counted towards their seniority in the cadre of Executive Engineers.

Category IV	Assistant Engineer, Andhra.	Ass'tant Engineer, Hyderabad. Sub-Engineer, Hyderabad Sub-Divisional Officer, Hyderabad.
-------------	--------------------------------	--

NOTE: (a) The Sub-Engineers from Hyderabad should be placed *en bloc* below the Assistant Engineers from both the regions maintaining their *inter se* seniority in the State of Hyderabad.

(b) The Sub-Divisional Officers from Hyderabad should be placed *en bloc* at the bottom in this category maintaining their *inter se* seniority in the State of Hyderabad.

(c) The Assistant Engineers from Hyderabad the service rendered as sub-Engineers or sub-Divisional Officers should not be counted towards their seniority in the cadre of Assistant Engineers.

(2) The Central Government have in consultation with the State Government; provisionally decided that the counting of services of Andhra Officers for the fixation of seniority in the common gradation list may be governed by the following principles :

(a) Officers who had satisfactorily completed their probation in the lower post and had also put in the required number of years of service in the lower post on the date on which they were promoted and whose cases could not be referred to the Public Service Commission in time because of administrative delay may be given credit for all the service rendered by them in the equated higher category from the date of their promotion to the higher post in Andhra provided the Government of Andhra Pradesh regularised their services in the higher post with retrospective effect and in consultation with the Public Service Commission of the State.

(b) Officers who had satisfactorily completed their probation in the lower post but had not completed the requisite number of years of service in the lower post on the date on which they were promoted but had completed the minimum required service for promotion on some dates before 1st November 1956 may be given credit for all the service rendered by them from the date next following the date on which they had completed the required minimum length of service in the lower post provided their services in the higher post were regularised by the Government of Andhra Pradesh with retrospective effect and in consultation with the Public Service Commission of the State.

(c) The services of those who had either not satisfactorily completed their probation in the lower cadre and/or had not completed the required number of years of service in the lower cadre on the date on which they were promoted and also had not completed the minimum required service for promotion on any date before 1st November, 1956 may not be included in the common gradation list for the higher post at all.

(3) The Central Government have also provisionally decided that subject to what has been stated in (2) above relating to Andhra Officers, the relative seniority of officers will be determined on the basis of the length of continuous service, whether temporary or permanent, in a particular cadre (excluding periods for which an appointment was held in a purely stop-gap or fortuitous arrangement) maintaining at the same time the *inter se* seniority of the officers drawn from the same region; and, that the date of continuous service of the senior most officer from each region should be taken as the criterion for dovetailing the *Inter se* seniority lists of the officers from the two erstwhile States of Andhra and Hyderabad.

II. It is hereby notified that any Government servant affected or likely to be affected, by these provisional decisions is, by virtue of Section 115(5) of the States Reorganisation Act; 1956; entitled to make a representation to the Central Government within six weeks from the date of publication of these orders in the Gazette of India. The representation should be addressed to the Secretary to the Government of India, Ministry of Home Affairs, New Delhi, and should be submitted in six sets through the proper official channel. Every such representation will be duly considered by the Central Government in consultation with the Central Advisory Committee constituted by the Central Government for the purpose under Section 115(5) of the States Reorganisation Act; 1956.

The action taken above is subject to the results of the appeals filed by some of the officers in the Supreme Court against the judgment dated the 23rd February 1968 of the High Court of Andhra Pradesh in Writ Petition Nos: 799/67 etc. as also such other Writ Petitions as may be pending in the Andhra Pradesh High Court as of date.

क्र० आ० 4533 माननीय उच्च न्यायालय-ग्रान्ध प्रवेश द्वारा रिट पिटीशन संख्याओं 68 का 1957, 65 का 1570, 66 का 1363 और 67 का 833, 835, 799, 872, 896 तथा 1429 के निर्णय तारीख 23 फरवरी, 1968 में दिए गए निर्देश का अनुसरण करते हुए केन्द्रीय सरकार, ग्रान्ध प्रदेश सरकार से परामर्श करके उत्तरवर्ती पराश्रों में उपवर्णित सिद्धान्तों के आधार पर पहली नवम्बर, 1956 को तैयार की गई ग्रान्ध प्रदेश के लोक निर्माण विभाग के राजपत्रित अधिकारियों की अंतिम सामान्य श्रेणीकरण सूची, उपाबन्ध में अपने प्रसाद से प्रकाशित करनी है।

अनंतिम श्रेणीकरण सूची तैयार करने में केन्द्रीय सरकार के निम्नलिखित अनंतिम विनिर्देशों को ध्यान में रखा गया है :—

(1) इस सम्बन्ध में स्थिर किए गए सिद्धान्तों के अनुसार यह अनंतिम रूप से विनिश्चित किया गया है कि \* (1) ग्रान्ध और हैदराबाद की भूतपूर्व सरकारों के उन अधिकारियों के पद, जो राज्य पुनर्गठन अधिनियम, 1956 के अधीन पहली नवम्बर, 1956 से राज्यों के पुनर्गठन के परिणामस्वरूप ग्रान्ध प्रदेश राज्य के लोक निर्माण विभाग के राजपत्रित काइरों में आ गए थे, निम्नलिखित रीति से हर एक समूह के सामने उपवर्णित विभिन्न प्रवर्गों के पदों पर समीकृत किए जाने चाहिए :

पदों का प्रवर्ग	ग्रान्ध	हैदराबाद
प्रवर्ग—I	मुख्य इंजीनियर, ग्रान्ध	मुख्य इंजीनियर, हैदराबाद ।
प्रवर्ग—II	अधीक्षक इंजीनियर, ग्रान्ध	अधीक्षक इंजीनियर, हैदराबाद ।
प्रवर्ग—III	कार्यपालक इंजीनियर, ग्रान्ध	कार्यपालक इंजीनियर, हैदराबाद । खण्ड इंजीनियर, हैदराबाद ।

टिप्पण : (क) हैदराबाद के खण्ड इंजीनियरों को हैदराबाद राज्य में उनकी पारस्परिक ज्येष्ठता बनाए रखते हुए इस प्रवर्ग के अन्त में समूचे रूप से एक साथ रखा जाना चाहिए ।

(ख) हैदराबाद से आए कार्यपालक इंजीनियरों के संबंध में उनकी सेवा जो उन्होंने खण्ड इंजीनियरों के रूप में की वह कार्यपालक इंजीनियरों के काइर में उनकी ज्येष्ठता में नहीं गिनी जानी चाहिए ।

प्रवर्ग IV	सहायक इंजीनियर	सहायक इंजीनियर, हैदराबाद ।
	सहायक	उप इंजीनियर, हैदराबाद ।
		उप खण्ड अधिकारी, हैदराबाद ।

टिप्पण : (क) हैदराबाद के उप इंजीनियरों (सब इंजीनियरों) को हैदराबाद राज्य में उनकी पारस्परिक ज्येष्ठता बनाए रखते हुए दोनों क्षेत्रों के सहायक इंजीनियरों के नीचे समूचे रूप में एक साथ रखा जाना चाहिए ।

(ख) हैदराबाद से आए उप खण्ड अधिकारियों को हैदराबाद राज्य में उनकी पारस्परिक ज्येष्ठता बनाए रखते हुए इस प्रवर्ग में सब से नीचे, समूचे रूप में एक साथ रखा जाना चाहिए ।

(ग) हैदराबाद से आए सहायक इंजीनियरों के संबंध में उनकी सेवा जो उन्होंने खण्ड इंजीनियरों या उप खण्ड अधिकारियों के रूप में की वह सेवा सहायक इंजीनियरों के कांडर में उनकी ज्येष्ठता के संबंध में नहीं गिनी जानी चाहिए ।

(2) केन्द्रीय सरकार ने राज्य सरकार के परामर्श से यह अनंतिम रूप से विनिश्चित किया है कि सामान्य श्रेणीकरण सूची में ज्येष्ठता का नियतन करने के लिए ग्रान्ध अधिकारियों की सेवाओं की गणना निम्नलिखित सिद्धान्तों के अनुसार की जा सकती है :

(क) जिन अधिकारियों ने उस तारीख को जिसको वे प्रोन्नत हुए थे निचले पद पर परीक्षा समाधानप्रव से पूर्ण कर ली थी और जो निचले पद पर अपेक्षित वर्षों की सेवा कर चुके थे और जिनके मामले प्रशासनिक विलम्ब के कारण लोक सेवा आयोग को समय पर निर्देशित नहीं किए जा सके थे, उन्हें उनके द्वारा की गई सभी सेवा का लाभ ग्रान्ध में उच्चतर पद पर उनकी प्रोन्नति की तारीख से समीकृत उच्चतर प्रवर्ग में दिया जा सकेगा, परन्तु यह तब जब कि ग्रान्ध प्रदेश सरकार ने उच्चतर पद में उनकी सेवाओं की भूतलकी प्रभाव से और राज्य के लोक सेवा आयोग से परामर्श करके नियमित कर दिया हो ।

(ख) जिन अधिकारियों ने उस तारीख को जिसको वे प्रोन्नत हुए थे, निचले पद पर परिवीक्षा समाधानप्रद रूप से पूर्ण कर ली थी किन्तु निचले पद पर अपेक्षित वर्षों की सेवा पूर्ण न की हो किन्तु 1-11-1956 से पूर्व किन्हीं तारीखों पर प्रोन्नति के लिए निम्नतम अपेक्षित सेवा पूर्ण कर ली थी, उनके द्वारा की गई सभी सेवा का लाभ उस तारीख की आगामी पश्चात्पूर्व तारीख जिस तारीख को उन्होंने निचले पद में अपेक्षित न्यूनतम सेवा काल पूर्ण कर लिया था, दिया जा सकेगा, परन्तु यह तब जब कि आन्ध्र प्रदेश सरकार द्वारा उच्चतर पद पर उनकी सेवाओं को भूतलक्षी प्रभाव से और राज्य के लोक सेवा आयोग से परामर्श करके नियमित कर दिया गया हो ।

(ग) वे लोग जिन्होंने अपनी प्रोन्नति की तारीख पर निम्न काडर में अपनी परिवीक्षा समाधान-प्रद रूप से पूर्ण नहीं की थी और / या निम्न काडर में अपेक्षित वर्षों की सेवा पूर्ण नहीं की थी और 1-11-1956 से पूर्व की किसी तारीख पर प्रोन्नति के लिए निम्नतम अपेक्षित सेवा भी पूर्ण नहीं थी, उच्च पद के लिए सामान्य श्रेणीकरण सूची में बिलकुल भी सम्मिलित नहीं किए जा सकते हैं ।

(3) केन्द्रीय सरकार ने अनन्तिम रूप से यह भी विनिश्चय किया है कि आन्ध्र अधिकारियों के संबंध में उक्त (2) में जो कुछ कहा गया है, उसके अव्ययीन रहते हुए, अधिकारियों की आपस में ज्येष्ठता विशिष्ट काडर में निरन्तर सेवा, चाहे अस्थायी अथवा स्थायी, की लम्बाई (उन कालावधियों को छोड़ कर जिनमें नियुक्ति केवल स्टाफ गैप या आकस्मिक प्रबंध में धारित थी) के आधार पर अवधारित की जाएगी और उसके साथ एक ही प्रदेश से लिए गए अधिकारियों की पारस्परिक ज्येष्ठता बनाए रखी जाएगी ; तथा यह कि हर प्रदेश से आए ज्येष्ठतम अधिकारी की निरन्तर सेवा की तारीख को, आन्ध्र और हैदराबाद के दो भूतपूर्व राज्यों से आए अधिकारियों की पारस्परिक ज्येष्ठता सूचियों में सामंजस्य स्थापित करने के लिए एक मापदण्ड के रूप में माना जाना चाहिए ।

11. एतद्वारा यह अधिसूचित किया जाता है कि कोई भी सरकारी सेवक, जो इन अनन्तिम, विनिश्चयों से प्रभावित हो या जिसके इनसे प्रभावित होने की संभावना हो, भारत के राजपत्र में इन आदेशों के प्रकाशन की तारीख से छह सप्ताह के भीतर केन्द्रीय सरकार को राज्य पुनर्गठन अधिनियम, 1956 की धारा (115) (5) के आधार पर अभ्यावेदन करने का हकदार है । अभ्यावेदन सचिव, भारत सरकार, गृह मंत्रालय, नई दिल्ली, को सम्बोधित किया जाना चाहिए और उचित शासकीय प्रणाली की मार्फत छह सेटों में भेजा जाना चाहिए । हरेक ऐसे अभ्यावेदन पर केन्द्रीय सरकार, राज्य पुनर्गठन अधिनियम, 1956 की धारा 115 (5) के अधीन इस प्रयोजन के लिए केन्द्रीय सरकार द्वारा गठित केन्द्रीय सलाहकार समिति से परामर्श करके सम्यक् रूप से विचार करेगी ।

ऊपर की गई कार्रवाई, कुछ अधिकारियों द्वारा आन्ध्र प्रदेश उच्च न्यायालय के तारीख 23 फरवरी, 1968 के निर्णय के विरुद्ध, रिट पिटीशन सं० 799/67 आदि में उच्चतम न्यायालय में फाइल की अपीलों के तथा ऐसी अन्य रिट पिटीशनों के, जो इस तारीख तक आन्ध्र प्रदेश उच्च न्यायालय में लम्बित हों, परिणामों के अध्वधीन होगी ।
